

An Invitation

The United States Ursuline JPIC team is inviting you to consider the following appeal during the Lent and Easter season.

Since 1960, The Ursulines in Venezuela, with the collaboration of parents and alumnae from Merici Academy, have been supporting education and Catholic formation to students at Corazon de Maria in Petare, a barrio of Caracas.

We are all aware of the economic situation in Venezuela. The Ursuline Sisters and ASEAM (alumnae), started a campaign "ACTIVA TU SERVIAM" to bring food, medicine and school supplies to take to them to help alleviate their hunger and basic needs. To date they can supply less than half the students with "arepa", breakfast. Their goal: to provide daily breakfast to all 750 children at school as well as other necessary supplies.

Can you help? During the Lent and Easter season we will be collecting funds here in the United States to support our sisters and collaborators in Venezuela in their feeding program.

Watch for more information on this project in the coming weeks. All funds collected can be sent to:

Ursuline Province Center
1338 North Ave.
New Rochelle, NY 10805
