1. General Information

We are very pleased and excited to announce the dates for our Third International Angelic Reiki
Conference, after the very successful conference in September 2016 when we were joined by guest
speakers Stewart Pearce and Tim Whild and over 75 AR attendees who came together from all corners
of the world, we will be returning to Hampstead in London to hold our third international conference.

Many of us are familiar of the beautiful natural space of Hampstead Heath and underlying it is a sacred
energy grid to some known as the Canterbury line that link Boudicca’s Mound with Canterbury and Palace
of Westminster also connecting to Wimbledon, Westminster Abbey and Southwark Cathedral.

There will be guest speakers Joining Christine Core again for this conference we are very excited in the
preparation stages for the scheduled programme for 2017 the details of which will be released in March.
The programme will be bringing a spiritually encompassing weekend. In addition to Angelic Reiki
Attunments & Angelic Reiki Healing lead by Christine the following topics will be covered in workshops
delivered by Christine and Guest Speakers.

- Planetary / Earth Healing
- Crystals
- Ancient Rituals
- Sound
- Angelic Kingdom
- Divine Feminine
- Symbology
- Shamanism
- Meditations
- Dream Work

We are really looking forward to having all you join us on this Truly Exciting event coming together with
participants uniting from all corners of the world in spiritual practice.
