

FOOTHILLS COMMUNITY CHURCH | LIFE NOTES

PALM SUNDAY 2017

Getting Started

Who is the most intentional person in your life? How do they love you so well?

When was the last time you did something for someone intentionally? Tell us about it.

Digging Deeper

Read Matthew 21:1-11

What is your favorite part of the Triumphal Entry?

How have you placed expectations on Jesus to resolve something in your life?

What in your life is hard, good, confusing or interesting causing you to wonder what God is up to?

What do you think of the statement: **Once you invite Jesus to help through prayer, he will do so more thoroughly than you imagined, more deeply than perhaps you wanted?**

Can you place healthy expectations, knowing He will eclipse them in great ways? Explain

What did you think of Luke 19:41-44, when Jesus cries over Jerusalem?

How have you seen Jesus give you peace in the middle of uncertainty?

Moving Forward

What small things in your life do you need to be faithful in?

Discuss short prayers that help you stay focused on Jesus throughout your day.

Have you been able to invite anyone to Easter yet? How are those conversations going?

Who do you hear and believe in Jesus this Easter? Take time to pray for them right now, by name.
