What is the first mistake that Eve makes?

What are some conversations that you get into with the enemy?

What lies does the snake tell to Eve? What are Satan's greatest hits? Satisfaction (the fruit looks good), Security (you won't die), and Significance (you will be like God).

What is a bait and switch?

How is Satan's offer to Eve a bait and switch?

Can you identify a time where you believed a lie that turned out to be a bait and switch?

What happens when they eat the apple? Eyes opened, filled with shame, hide.

How does God respond? Seeks them out, exposes the lie, and covers their nakedness
