I AM The Good Shepherd pt 2

DIGGING DEEPER

Read John 10:1-18

Who does Jesus say he is in verse 11?

How is God described in the Old Testament? Read Psalm 23:1- 3; 80:1; Isaiah 40:11.

What is Jesus saying about himself when he makes this statement?

What do you think it means that the Good Shepherd knows his sheep and the sheep know the Good Shepherd?

Read Psalm 23...what are ways that the Lord cares for the sheep in this passage? List the ways you see the Shepherd caring for the sheep...

What is the difference between Jesus and the hired hand?

What does the hired hand do when the sheep are in danger?

MAKE IT STICK

Do you take Jesus' sacrifice for you for granted?

The good shepherd is one who is willing to leave ninety-nine safe sheep to go out into the dangerous and wild lands and rescue one sheep in peril.

How do we cultivate the shepherd's compassion and passion in our hearts in a way that would motivate us to do the same?

What kind of reprioritization to our ministry calendars or personal calendars would need to happen in order for us to pursue the lost sheep?

Who is one lost sheep in your life that you know right now?

How can you reach out?
