

Soup Share!

Spring 2017
March 12 - June 10

Our delicious housemade soups and stocks are made from scratch using local pastured meats and seasonal ingredients...all natural and no preservatives. We offer a 10% discount when you pre-pay for one or more quarts of soup for 13 weeks. Stop by each week and select your soup from a variety of chicken, beef, and pork soups, vegetable soups, fish chowders, and bean soups (fresh and frozen). We offer 6-8 varieties, including vegetarian options, to choose from each week.

****If you are unable to pick up your soup, you may designate someone else to pick up for you, or contact us the prior week to make arrangements. If you miss a week without making a prior arrangement you will forfeit that week's share.****
