

You're invited to attend a webcast about

Important Considerations for Patients with CLL

PROGRAM OVERVIEW

The 2018 updates to the iwCLL guidelines include several major changes or additions, including the increased importance of clinical staging, prognostic markers, and prognostic scores. These updated guidelines will be reviewed in this program by a nationally recognized expert in the field of CLL.

DISCLOSURE

This promotional educational activity is not accredited.

In adherence with PhRMA Guidelines as well as the policies of Janssen Biotech, Inc. and Pharmacyclics LLC, an AbbVie company, spouses or other guests are not permitted to attend company-sponsored programs.

For all attendees, please be advised that information related to the event, such as your name and the value and purpose of any educational item, meal, or other items of value you receive, may be publicly disclosed. If you are licensed in any state or other jurisdiction, or are an employee or contractor of any organization or governmental entity that limits or prohibits meals from pharmaceutical companies, please identify yourself so that you (and we) are able to comply with such requirements. Thank you for your cooperation.

If you have a state license and/or NPI number, please provide these numbers in advance or have the numbers available at the presentation. This information is needed for on-site registration.

Pharmacyclics LLC, an AbbVie company ("Pharmacyclics") and/or Janssen Biotech, Inc. ("Janssen") is subject to U.S. Federal and State transparency laws that require Pharmacyclics and Janssen to track and report meals and other transfers of value provided to certain U.S. health care professionals (including physicians). To comply with these obligations, for attendees who receive any portion of the meal provided at this program, Pharmacyclics or Janssen will report the attendee's name and the value of the meal received. Pharmacyclics and Janssen offer you the option to attend the event but not receive the meal. Please ask the Program Organizer for more information about this opt-out option.

Additional restrictions apply to the following individuals:

For U.S. Healthcare Providers in Vermont or those affiliated with the U.S. Department of Veterans Affairs or Department of Defense: Several states and federal agencies in the United States restrict your interaction with Pharmacyclics and Janssen, including the provision of in-kind benefits (such as meals) at company-sponsored events. If you are a healthcare

The program content is developed by Janssen Biotech, Inc. and Pharmacyclics LLC. Faculty present on disease state education on behalf of the company and are required to present information in compliance with FDA requirements. The personal information you provide will be used to contact you about your request to attend the Janssen Biotech, Inc. and Pharmacyclics LLC educational program using your preferred method of communication as indicated by you.

The information will be shared with Janssen Biotech, Inc. and Pharmacyclics LLC, their affiliates, and a third party for the purpose of completing your registration for the program and as required by law.

professional in Vermont or are affiliated with the U.S. Department of Veterans Affairs, Department of Defense, or other federal executive branch entity, Pharmacyclics and Janssen policy prohibits providing you a meal at this program. If you would like to attend, but not partake in a meal, please refer to the opt-out option below.

For U.S. Licensed Prescribers in Minnesota, Massachusetts, New Jersey, or the District of Columbia: You may be subject to meal restrictions in these jurisdictions. Pharmacyclics and Janssen have policies and procedures that are intended to help ensure compliance with any annual aggregate limits. If you have questions about your annual aggregate value transfers from Pharmacyclics and Janssen or the impact of accepting the meal provided at this event on your annual total, please consult the Program Organizer. In addition, if you would like to attend, but not partake in the meal, please refer to the opt-out option below.

Pharmacyclics and Janssen offer an opt-out option that allows you to still attend this event but not receive the meal. Please ask the Program Organizer for more information about the opt-out option.
