Pharm Party Prevention

**2nd Annual Prescription Drug
Take Back Event**

**Drive up & turn in unused or expired
medications for safe disposal.**

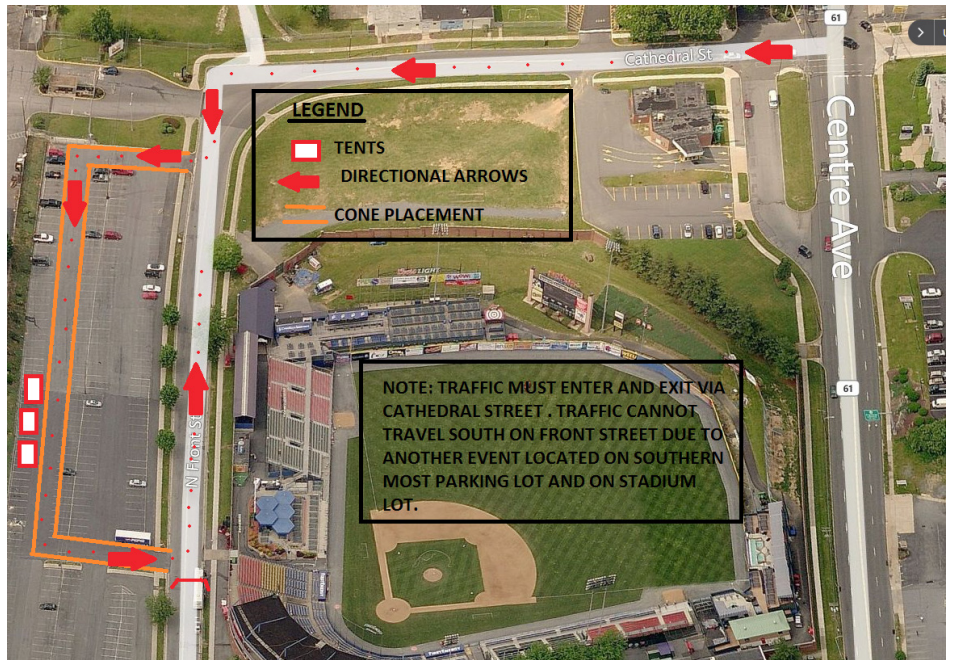

**Saturday April 29th
10am - 2pm**

Did you know that Pharm Parties actually exist?

*Unused prescriptions are brought
to parties, dumped together on
a table and randomly taken.
Needless to say this is extremely
dangerous and life-threatening.*

**You can be a part of keeping our
community safe and reduce
potential overdose deaths!**

*Simply gather up the unused or
expired prescriptions from around
your house. In fact, get all your family
members to do the same and turn
them in at the Fightin' Phils Stadium
on April 29th.*

**Done in partnership with Berks County Medical Society,
Berks County District Attorney's Office, Reading Fightin' Phils,
and the County of Berks Opioid Task Force.**
