Parents are always welcome. Please plan on coming to the first meeting to get all the details about the program. We will meet every Thursday and follow the no school=no meeting rule. Each boy will learn life-skills, have fun, and learn outdoor skills. We will have outside events from time to time, highlighted by Twilight Camp in June.

Fill out the attached registration form and bring it to Mr. Baker in 2nd grade. You may also bring it to the first meeting. If you were in Pack 277 last year, you DO need to fill out the form again.
