## Summer Music Classes

This summer, students have the opportunity to register for summer music classes. These classes are designed to be fun and a great way to keep children involved in a music activity throughout the summer. Many of these opportunities are not available during a typical music class during the school year, so this is also a great way to expand their horizons in the field of music. Descriptions of each class, including costs and requirements are located on the Summer Music Classes flyer attached to this form. Students are welcome to sign up for as many classes as they'd like! If you're going on vacation and are going to miss some—that's OK. These classes are designed to be relaxed and easy to pick up where you left off.

If you would like to register your child for Summer Music Classes, please fill out this form and return to Mr. Gardner no later than **Friday, May 18**. A complete schedule with class dates will be sent home via email on the last week of school. If you have any questions, please contact Mr. Gardner (adam.gardner@stveronica.org). Payment will be due at the first class date.
