

Dear Community Member / Business Owner,

The demands that face business owners and leaders are ever changing. However one constant we hear is the need to prepare our future workforce to seize opportunities and meet demands.

In a joint partnership, RISD and the Richardson Chamber of Commerce are creating a forum for 7<sup>th</sup> grade students to learn more about career opportunities available to them after high school.

As part of Texas House Bill 5, students in junior high school must choose an area of focus as they prepare for classes in high school and beyond. iDream 2019 is a one-day program for these students to hear from local experts and ask questions with a goal of introducing new work possibilities that can impact future career choices.

iDream will take place on January 11, 2019 from 8:30 AM to 3:00 PM at Richland College. We're asking your support to make iDream Day a success. Please consider any one of the following ways in which you can help:

- Provide an engaging employee who can speak/present during iDream Day
- Volunteer to help with the day's logistics, ushering students, setting up for lunch etc.
- Be a sponsor at one of several levels indicated on the attached sheet.

If you would like to participate in iDream, please contact Kim Quirk, Richardson Chamber of Commerce at [kim@richardsonchamber.com](mailto:kim@richardsonchamber.com).

We look forward to seeing you on January 11<sup>th</sup>!

---

Bill Sproull  
President, Richardson Chamber of Commerce

Dr. Jeannie Stone  
RISD Superintendent

iDream 2019 is a one-day program for 7th grade students from all of the RISD middle schools to learn more about opportunities available after high school graduation.

The event will take place on January 11, 2019 from 8:30 AM to 3:00 PM at Richland College. iDream will help students

- Meet with professionals from many different industries and career paths;
- Learn about classes in high school to prepare for life after graduation;
- Explore the careers of the future and
- Win prizes while having fun.

There are several sponsorship opportunities available to reach students and business professionals participating in the event.
