

2017 Annual Bowling Tournament

In only its second year, this annual event has already become a classic way to kick off the summer while networking on the lanes. Companies build teams for friendly, but stiff competition, while enjoying the experience that only an afternoon of bowling can provide. Awards are given out to winning teams, teams with the best-looking bowling shirts, and to individuals for high scores.

The tournament will be held in an afternoon Friday, June 16th with approximately 40 teams and 160 players with some from the leading companies in Richardson, expected to participate. Sign up now and enjoy the fun of being a part of an exciting event in the chamber.
