

# EDUCATION *unplugged* LUNCHEONS

These education luncheons feature local public and higher education leaders that will focus on a myriad of issues including conversations about **challenges with funding, effectively managing growth, and the challenges of educating our nation's future workforce.** Learn more about how your business and organization can support our educational institutions. The audience for these programs includes local business leaders and executives, city and school district leadership, and community leaders from Richardson and the North Texas region.
