

## 2018 TECH TITANS NOMINATION FORM INVESTMENT CATALYST

The **Tech Titan Investment Catalyst** award recognizes an organization for completing a significant technology related investment transaction that will impact and deliver significant long-term economic prosperity for the DFW Metroplex.

## Qualifications for award category:

- The investment transaction has occurred since January 2017.
- The source of the investment capital may be from either the public sector, private capital, and/or a public-private partnership.
- The investment may be a strategic investment, debt, equity and/or risk capital investment, buyout, or economic stimulus investment.
- The investment may be in a new research lab, foundry, plant, technology incubator, and/or technology innovation resource center.
- Nominees must demonstrate significant job creation, early-stage technology investment, fund creation, harvesting
  of investments with significant financial returns, investment in innovation or an investment that increases capital
  flow within the region.

## As part of the selection process, nominations will be judged on the following criteria:

- How the nominee created and/or supported the investment climate. (25%)
- The nominee's financial leadership in identifying opportunities, achieving corporate consensus and support for projects, assuring that their team has the resources required for success, and the investment provides a sustainable competitive advantage for the companie(s) in the North TX region. (25%)
- The impact the financial investment(s) will create, and evidence of results to date. (50%)
