

US Pan Asian American Chamber -SW

Presents

Regional Women Business Symposium

~ No Hard Hats or Tools Required ~

October 20, 2016 9:00 am-12:00 pm

City of Arlington Board Room
101 W. Abram St., Arlington, TX 76010

The Women Business Symposium will address issues relating to women business owners. The symposium's objective is to help and inspire women business owners and professionals to increase their influence in a changing business world through certification, procurement, and skill-building trainings. Panelists will include corporate executives, government and community business leaders from the North Texas region.
