

Assets School is for students 5-18 years of age. We specialize in serving children and young people whose capability is greater than their achievement and those who are in need of acceleration and enrichment. Counseling and behavior management are central to an Assets education and are integrated into all programs.

## APPLICATION PROCEDURE

### Summer School

1. Complete application and intake forms
2. Attach copies of evaluations:
  - a. A measure of cognitive function (IQ range) within the last three years
  - b. Recent standardized achievement testing e.g., (SAT, ERB)
  - c. Current and last year's report cards
3. Teacher reference report(s) submitted by teacher. The necessary testing may be obtained through the Department of Education or private professional services.
4. Forward application and all evaluations to Assets School to the attention of the Registrar.
5. An interview with the Administration will be arranged to determine acceptance into the Summer School program.

Students already enrolled at Assets need only complete the Summer School application.

While summer enrollment does not guarantee acceptance into Assets' fall session, it does provide an optimal opportunity for students, parents, and the school to evaluate whether or not Assets is an appropriate placement for a particular student. For fall enrollment, priority will be placed on enrolling appropriate applicants from the summer program on a space-available basis.

### Academies

1. Complete application and intake forms.
2. Teacher reference report submitted by teacher. Note that these academies are not a pathway into the fall program.

**APPLICATION DEADLINE:** Applications will be reviewed beginning January 2017. Admissions for summer program are rolling and will remain open as long as space is available. Applications received after enrollment is full will be placed on a space available waitlist.

ASSETS SCHOOL ADMITS STUDENTS OF ANY RACE, COLOR, AND NATIONAL OR ETHNIC ORIGIN.

# SUMMER Session 2017

GRADES  
K-8

Assets School  
Learning that transforms lives

## Mission Statement

Assets School serves gifted and capable students, specializing in those with dyslexia and other language-based learning differences. We provide a strength-based program, complemented by outreach and training, that empowers students to become effective learners and confident self-advocates.

## DIAGNOSTIC ACADEMIC SUMMER SCHOOL

**Grades:** Kindergarten – 8<sup>th</sup> Grade

**Parent Conferences:** July 14, 2017

The summer academic program includes an integrated curriculum. Literacy instruction is focused on multisensory, structured language approaches such as Slingerland, Orton-Gillingham, Project Read, and Read Naturally. Theme-based Math and Science lessons are integrated via hands-on activities that engage students and promote enthusiastic, meaningful learning. Students also attend daily Enrichment classes that are designed for them to explore their interests and develop their strengths. Students new to Assets may receive supplemental assessment which provide valuable information about the student's learning profile.

## DATES

**June 13 – July 13, 2017**

## HOURS

**7:40 a.m. – 12:30 p.m.**

## TUITION

**\$1,450**

Payment is due in two equal installments of \$725 (less deposit) by June 1, 2017 and July 1, 2017. Tuition is non-refundable.

## STAFFING

Teachers are selected for professional competence and ability to relate to students with understanding and patience.

## TRANSPORTATION

Families are encouraged to carpool. Dedicated bus service is available for a fee.

\*Academy students attend snack and recess with their Academic Summer School peers. Academy students also participate in daily enrichment classes.

## ACADEMIES

### Art Academy

Grades: 2-6

Instructor: Christin Fox

Students will participate in the joyful process of art making and celebrate the incredible experience of creating something from their own imagination. A variety of materials will be used to develop skills and self-expression through drawing, painting, sculpture, ceramics and mixed media. The class will conclude with a student exhibition of artwork.

### E ho'ole'ale'a Academy

*(To find amusement)*

Grades 1-5

Instructor: Melissa Lum

Students will expand their understanding of our community, culture, and the history of Hawai'i through a variety of hands-on explorations. Students will be introduced to Hawaiian language, sentence structure and writing. Students will learn to make lei, create photo albums (using Hawaiian names, places and activities), and perform songs and hula.
