Our Freshmen & Parent Book Club had a lively discussion on *A Long Way Gone: Memoirs of a Soldier Boy* by Ishmael Beah last week.

Come to the Media Center on Wednesday November 30th.

We'll be discussing our 2nd quarter pick:

The Ghosts of Heaven by Marcus Sedgwick

Sedgwick connects four seemingly disparate stories, each of which feature a character haunted by the ever-present shape of a spiral. Spanning time, space, and genre, each story raises powerful questions about human nature.

Did you know that students can print at school from their own devices? No more having to get on the school computers! Just go to your **IHapps account** while in Google Drive in Chrome. You'll find both the Media Center's black and white and color printers.

Hope you enjoyed your fall break and are ready for an exciting 2nd quarter!
