**A New Day for God's Beloved**

I'm delighted to share the good news that at our special congregational meeting on November 18<sup>th</sup> we voted overwhelming in favor of moving ahead with a major capital campaign in 2019. The vote was 98 in favor and 14 against. The kick-off for our "New Day" campaign will be the weekend of February 8-10, 2019. Between now and then we have much to do to prepare for the campaign. We are recruiting leadership teams to lead different dimensions of the campaign: Spiritual Life, Lead/Advance Gifts, Events, Communications, Youth and Family, Administration, and Worship. Please prayerful consider serving on one of these teams. I believe that our capital campaign will serve as a catalyst for our continued growth in Christ – as beloved children of God; as part of God's beloved community; and in caring for God's beloved community. Giving generously is one way that we become who we are in Christ.

**Advent and Christmas Services**

Advent is here, and Christmas is just around the corner. Once again, we have special services planned throughout the season. On December 2<sup>nd</sup> we will have our Service of Lessons and Carols. We will sing and play many of the classic Christmas carols. The service will include our adult, youth, and children's choirs as well as piano, marimba, guitar and flute. Come and sing the music of your heart. On December 9<sup>th</sup> the Praise Team will lead us in classic and contemporary Christmas carols and music. Then on December 16<sup>th</sup> we will have our annual Christmas program featuring our Sunday School children. The theme of this year's program is *The Christmas Story* and it promises to be a joyful morning. On Christmas Eve we will have three Candlelight Services – at 3:00 PM, 5:00 PM and 10:00 PM.

**Giving More Like Jesus**

I want to thank everyone who has given so faithfully throughout 2018. Through the end of October (the most recent financial report as of this writing) our financial contributions were almost identical to October 2017 – right around \$367,000. This has allowed us to bring on new staff, launch some new programs, and make some much needed building upgrades and repairs. Thank you! At the same time, we need to stretch between now and the end of the year. We set a goal at the beginning of the year of increasing our financial support to our mission and ministry by about \$25,000 for 2018, an increase of around 5%. I'd love to see us meet, and surpass, that goal and end the year on a high note. So, if you haven't yet given all that you planned and promised to give for 2018 please do so now in December. And if you can also give an additional gift, above and beyond your regular giving, please do so as well. Above all, give as generously as you can, in grateful response to the gift of our Lord Jesus, who came into our world at Bethlehem and gave himself for us and for our salvation.

Grace and peace this Advent season,

BK

## How Camp Messed Me Up for God *(Kirsten Kelly, Director of Children, Youth & Family)*

Last week I was changing Drew's diaper and I found myself singing this song:

"Once when I was praying, I heard him saying, I love you, I love you! Once when he was dying, I heard him crying, I love you, I love you! People all over the world are opening up and turning around and they're saying I love you (repeat 12 times). L-O-V-E love is forever, love is forever, love is forever, love is for everyone."

I often sing songs to the kids throughout the day to make them laugh or give instructions in a silly way. But after singing this song, it struck me that it was not one that I had learned as a camp counselor in my 20's (at Green Lake Bible Camp in Spicer, MN)... or one that I had sung with kids that I brought to camp Wapo (in Amery, WI) while I had been working in ministry over the last 20 years. And it's not a song that I had heard recently on the radio. I would guess most of you have never even heard of it before... if you have, I'd be curious to talk to you about it! The realization hit me: this was a song I had learned when I was in elementary school in the 80's when I went to Shetek Lutheran Bible Camp in Slayton, MN.

Now I know that I'm not that old, but I am 40, and the fact that I was singing a song to my seven-month-old in 2018 that I had learned when I was growing up and hadn't sung for years (in any formal setting) made me realize that camp really is a part of who I am. It has shaped me... impacted me in such a way that it is woven into the tapestry of my life and still showing up in small ways over 30 years later. It is even impacting how I raise my own children today! The songs, the Bible stories of grace and love, the care shown by the counselors, the Bible verses I memorized, the skits and wacky ADE's (After Dinner Entertainment)... all some of my greatest memories from childhood and things that truly set a course for my life. I honestly believe that it helped make me who I am today; coupled foremost with the incredible presence and guidance of my parents (who also brought us to Family Camp at Outlaw Ranch in South Dakota). Camp also planted the seeds of ministry in me... even though it wouldn't be until later in college that I would finally give in to that calling and decide to pursue a career in ministry. Yes, camp had "messed me up" for God!

So I ask you... is sending your kids to camp worth it? I say, without a doubt... YES, YES, YES! If you have never considered having your child attend Bible camp, I'd strongly encourage you to explore it! The longer you wait, the harder it gets. Camp is often harder on parents (kids being away) than it is on kids! Talk to our staff or other families/kids that have gone to camp to hear about their experience. I know summer seems like forever away, but it'll be here before we know it and soon we'll be heading to camp! This next summer, we have decided to bring Light of Christ kids to Lake Wapogasset Lutheran Bible Camp in Amery, WI for the first time. It was a tough decision but we are excited about this new opportunity and to grow the camp ministry at Light of Christ! David and I both have a huge passion for camp ministry and are so eager to share camp with all of the kids at church!

Kids currently in **1<sup>st</sup> – 3<sup>rd</sup> grade** can attend SEEDS camp at Wapo – a weekend where kids have their first, short exposure to camp. Light of Christ has reserved spaces the weekend of **June 21-23**. Once kids have completed **grades 4-12**, they can attend a full week of camp, which we have reserved spaces the week of **June 23-28**. Our staff will be at camp during the entire time that our kids are there... to support and love them, make sure they have a good experience, grow in faith together and get to know them in a way that only happens at camp.

*(continued on next page)*

(continued from previous page)

So, we hope you will consider sending your child/ren to Wapo this summer! If finances are ever an obstacle, please talk to one of our staff... we want every child to be able to attend! Registration opens online beginning January 15 and we have a limited number of spots reserved for our church through March 15. After that time, all spaces open up to the public, so we encourage you to plan ahead and register early! Wapo does fill quickly once it opens up! Here is your chance to invest in your child's future and make a life-long impact on their faith... See you at camp!

**Save the Date!**

On **Sunday, April 14, 2019 at 4 pm**, come to experience an afternoon of food, fellowship and camp stories! Share your story, hear the stories of Light of Christ staff and staff from Wapo... and catch the vision for camp ministry and passion to share camp with all Light of Christ kids! Our goal is to start a "Camp Foundation" which will provide scholarships for all kids that attend camp through Light of Christ. We'd like to provide \$100/child that attends week-long camp and \$50/child that attends the weekend Seeds camp. Help us to get this fund started and impact many lives for God's glory! If you'd like to help coordinate the meal for this event, please talk to Kirsten. Hope to see you there!

**CHILDREN'S NOTES**

**Light of Christ's annual Christmas Program will be on**

**Sunday, December 16<sup>th</sup> at both services.** Cast will attend both services but all other Sunday School children may choose one service to attend and sing at. **ALL** children (grades 1-6) are asked to attend 2 important rehearsals on **December 5<sup>th</sup> and 12<sup>th</sup> from 6:30 - 7:30 pm.** Preschool and kindergarten children will sing 3 songs at the start of the program and so they do not need to attend the rehearsals.

**OCC Thank You!**

Thanks to all those that helped to make our Operation Christmas Child shoe box packing event such a success! Light of Christ children and families packed 150 boxes that will be sent around the world to children that won't otherwise receive a Christmas gift. At the same time, they will receive a book with the story of Jesus and God's love. Thank you for donating items for the boxes, money for shipping and time to put the boxes together. Your donations will make a big impact on those that receive the gifts!

**SPARK** is an after-school ministry that takes place at Light of Christ from 3-5 pm for elementary aged kids (busing provided from Delano schools). See the schedule below for when specific grades attend (and the topics they are learning about). Register online by visiting our website at [www.lightofchristlutheran.com](http://www.lightofchristlutheran.com) (go to "Children and Youth" and then "Wednesday Spark"). Please contact Kirsten Kelly with any questions. We hope to have your child/ren attend!

3<sup>rd</sup> grade (The Bible): Wednesdays, January 9-30

2<sup>nd</sup> grade (The Lord's Prayer): Wednesdays, February 6-27

4<sup>th</sup> grade (First Communion): Wednesdays, March 20 - April 10

**YOUTH NEWS**

**COMING IN 2019!**

Beginning in January, some exciting opportunities and changes are coming to Light of Christ for its high school youth and families... We invite you to join David for these great opportunities!

- **High School Fellowship (HSF):** From January-May, HSF will be going on the road! For the remainder of this school year, instead of meeting at church on Wednesdays at 8 pm, HSF will take place in various homes. High school families in the congregation will be invited to host a get-together with other youth and parents that they know in order to allow David to get to know families better. To sign up to host a meeting or to attend a gathering, please contact David or go to our website ([www.lightofchristlutheran.com](http://www.lightofchristlutheran.com)) to find the sign-up link. If Wednesdays don't work for your family, please contact David and another time can be arranged.
- **Sunday Morning Fellowship:** David will also be holding a space for Grades 9-12 to come and hang out on Sunday mornings from 9:30-10:30 in the Youth Room! Come for fellowship, some great faith discussion, and donuts! This time is meant for youth to come and be themselves and learn more about their individual faith lives. All are welcome!

**WOMEN'S BIBLE STUDY**

**The Holy Spirit: Past, Present, and Future** is the topic for our Women's Bible Study this year. We will explore questions like "What does the Bible and Christian history teach us about the power and presence of the Holy Spirit? How is the Holy Spirit at work in our lives and our world today? Where is the Holy Spirit leading us as we move into a new future?" Come and join us for prayer, study, and conversation about the least known and least understood person of the Holy Trinity. We meet on the second Tuesday of each month at 10:00 AM.

**FLEECE!** As you are out shopping over the next few months, please watch for deals on fleece. The Sunday School kids will be doing their fleece tie blanket family service event on February 3<sup>rd</sup> at 9:30 am and will need enough fleece for about 25 blankets (2 two-yard pieces for each blanket). Please talk to Kirsten Kelly or Laura Jaunich if you have any questions or if you'd like to make a donation for this event. Thank you!

**QUILTING**

**The LOC Quilters** meet each Monday at 10:00 am in Room 106/107 at the church. Everyone welcome! No quilting experience necessary!

## Light of Christ Service Opportunities

The Light of Christ Marks of Discipleship ask us to – “Pray daily” - “Worship weekly” – “Read the Bible” – “Serve at or beyond Light of Christ”- “Relate to others for spiritual growth” and “Give of my time, talents and resources”. As members we strengthen and share our Christian beliefs by actively giving of our time and talents. It takes each of us contributing to keep our programs alive and relevant – it takes each one of us assisting in worship to ensure a welcoming and enriching experience for everyone. A healthy congregation is one in which everyone is actively participating. When you participate you have stronger connections within the congregation and what you gain in relationships and personal satisfaction is far greater than the time that is given.

Most Light of Christ members have previously completed a time and talent sheet or similar form indicating where we are willing to give of our time in volunteer service. We access this information through an online database allowing us to connect with persons willing to assist with a variety of needs. Currently our information is greatly in need of updating to ensure accurate information when reaching out to persons for specific areas of service.

There are multiple ways available for everyone to update your service information -

- An all-congregation email was recently sent including a link to a **Service Opportunities** form that can be completed and returned online
- A form can be printed/completed and put in the offering plate on Sunday morning or emailed to [locvolunteer@frontier.com](mailto:locvolunteer@frontier.com)
- **Shared Leadership/Service Opportunity** forms are available in the *Friendship Pads* in the church pews and can be completed on Sunday morning and put in the offering plate
- You can access your personal online profile via the Light of Christ website ([www.lightofchristlutheran.com](http://www.lightofchristlutheran.com)) and update your service information at any time. Once on LOC website:

1. Click on the “My Church” icon on top toolbar
2. Log in to your profile (or create one, if you haven’t already registered)
3. Click on “Involvement” tab on top toolbar
4. Choose member to update
5. Click “Edit” on “Willing to Serve” section and click appropriate options
6. Save Updates

Your time, talents and gifts create a healthy, robust and more Christ-like congregation. Let prayer guide you to answer positively when you are asked to serve!

## Light of Christ Council and Committee 2019 Elections

### Church Committees

The Light of Christ Annual meeting will be held the 4<sup>th</sup> Sunday in January 2019. One important function of the annual meeting is to nominate and elect members to fill all committee and council positions. Council and committee members are the mainstay of Light of Christ's emphasis on “**Shared Leadership.**” Member participation is at the center of Light of Christ's ability to reach our maximum potential as a church body. In order to function efficiently and provide needed services it requires a **minimum of 100 persons** willing to volunteer their time to a Light of Christ committee or church council.

Thankfully, we are blessed with a congregation of talented, generous and energetic people. It is active participation from every person that ensures the healthiest congregation. Light of Christ membership is also a partnership with an expectation that everyone contributes as it best fits their individual interests, comfort level and God-given talents. Please prayerfully revisit where you are currently sharing your time and consider what additional interests you have and gifts you can contribute. In service, new friends will be made, ideas broadened and faith made stronger!

Recruiting will begin shortly to fill all positions but volunteering prior to receiving a call would be a great blessing. If you are willing to serve in any capacity please call the church office (763-972-2400), send an email to [locvolunteer@frontier.com](mailto:locvolunteer@frontier.com) or complete a **Shared Leadership** form in the Friendship Pad and place it in the offering plate on Sunday morning.

Thank you for being an active and willing participant in Light of Christ Shared Leadership and for your answer of “**Yes, It is I Lord**”, when asked to serve.

### MONTHLY SERVICE TEAM

Members of Light of Christ are dedicated to serving the Lord by sharing, caring and loving, and do so through the work of Monthly Service Teams, serving at funerals, Sunday morning coffee time and other functions.

## Light of Christ to move forward with a Spring Debt Reduction Capital Appeal.

At our November 18<sup>th</sup> Congregational Meeting, members voted to more boldly position the congregation for future ministry and growth. By intentionally paying down on our existing mortgage, Light of Christ will be able to address not only some maintenance and upkeep issues, but we will be able to consider potential staffing strategies which will build our ministry capacity, with an eye toward growing our congregation.

There are some wonderful ways for **YOU** to be involved in the work of drawing our church together for this important appeal. Support teams are being formed. These are an opportunity to serve the ministry, get to know some other LOC members, and to have a limited scope to your commitment. The following are appeal support teams formed, as well as the co-chairs for each team:

### Lead Gifts Team

Amy Bigot  
Brenna Demeules

### Events Team

Kevin Jaunich  
Kylee Amdor

### Communications Team

JoMarie Williamson

### Spiritual Life Team

Gina Nee  
Gary Prinsen

### Children/Youth/Family Team

Please call the church office or reach out directly to one of them if you are willing to serve.
