**Rolli Quilt**—Everyone loves a cute snowman, this one can be made in the warmth of your sewing room and won't melt come spring. This fun snowman is created with 2 1/2" strips and a little bit of appliqué. I backed the quilt with soft fleece to add some warmth and cozy comfort. The quilt will measure 50" x 76" when finished.

**Thursday, Nov 2 & Tuesday, Nov 14—10-2 pm**

**Fee: \$40**

**Anita Goodesign Have It Your Way**—The title of this says it all! A bag with all sorts of options! Outer pocket with a zippered compartment? Inner patch pocket for things that 'sink' to the bottom? Inner large zippered compartment that splits the inside into two sections? All or none of these – you pick! Best of all everything is done in the hoop except the side seams and straps. I added a zipper to close the bag. We will be using an AG Design by the same name. **(Purchase required at JSS).**

**Holiday Gift Bags**—Dress up your presents with bags that are gifts themselves! Santa, Rudolph, snowman, gingerbread man and more. Bags are all made from felt and mostly done in the hoop. We will be making the smaller size bag and you can choose which design to make! We will be using an AG Design by the same name. **(Purchase required at JSS).**
