Merry Christmas

**It's A Cinch!** - These great, lined gift bags are made entirely in the hoop using an innovative technique which gives you a fully lined bag with NO exposed seams! The designs are also digitized to use Puffy Foam for 3-dimensional details. The design pack has 6 designs, each in 2 sizes, and includes printable gift tags to complete your gift wrap.

**Friday, July 7—10-2 pm**

**Fee: \$20**

**Mini Christmas Quilt** - Create this little cardinal wall quilt/door hanger while you learn quilt piecing in the hoop and machine applique techniques. This project would also work as a trivet or mug rug. The Anita Goode-sign Express design pack used for this project includes 8 different Christmas designs in several sizes to use for different projects or combine into a larger quilt.

**Saturday, July 8—9:30-2:30 pm**

**Fee: \$25**

**FSL Mylar Christmas Ornaments** - It's Christmas in July! Never too soon to get started on gifts. These are quick cute ornaments done all in the hoop using only embroidery thread and a piece of mylar. Don't know what mylar is? It is the material used for those birthday balloons – you know – the ones with the pictures on them? And best of all you can pick up a package of mylar at **Just Sew Studio**!

We will use "FSL Mylar Ornaments" by Sealed with a Stitch (**purchase required at JSS**).

**Monday, July 10—4-7 pm**

**Fee: \$15**

**Christmas Table Runner** - Get a head start on your Christmas table decorating or Christmas gifts for family and friends. This pretty table runner is created using a quilt as you go method commonly called the sew and flip method. Each strip of the runner is sewn down to the batting and backing, resulting in a quilted runner when you are done. To finish off the project the bow is appliquéd to the runner. This runner could also be made in birthday colors for that next birthday party you are hosting.

**Thursday, July 13—10-2 pm**

**Fee: \$20**

**Nordic Elves Table Runner** - Is it too hot outside for you? We have a 'cool' project to get you started on Christmas gifts! This cute table topper is filled with Santa's face! This is

a good project to use fat quarters and maybe even scraps! We will use a new ruler by Creative Grids called a "Kites Plus" (\*\* Please call to pre-order if you don't have it.\*\*) plus 2 other rulers— 15 degree and 60 degree. We will use a pattern called "Nordic Elves" by New Leaf Stitches (**purchase required at JSS**). This pattern also has instructions for a quilt so you get 2 in one!

**Saturday, July 22—9:30-3:00 pm**

**Fee: \$30**
