

Heidrea for Heroes Announces Partnership with Relay Power's Community Solar Program:

Eversource customers can get a discount AND support Veterans through Heidrea for Heroes! Please read this message from Relay Power about a special opportunity for Heidrea for Heroes supporters & friends:

Heidrea for Heroes has always been an advocate of giving back and providing support to our deserving veterans. Relay Power believes that Heidrea for Heroes' supporters and the communities we serve feel the same. In that light, we would like to share a special local opportunity with you.

A Community Solar Farm that services residential homes in Southeastern MA Eversource territory is being built in Plymouth on Federal Furnace Road near the airport. Homeowners can now choose to participate in the solar farm, save money, and support Heidrea for Heroes at the same time! And, you'll help reduce the amount of electricity produced using coal and natural gas.

It does not cost anything to join the Community Solar Farm. You will stay an Eversource customer, but will receive a 10% discount by participating in Community Solar. There are only about 50 openings still available and they will be served on a first-come, first-served basis.

Please take the time to educate yourself on this great opportunity. We, at Heidrea for Heroes, feel this is a wonderful opportunity to pass along. As part of our social responsibility, we hope that you share our desire to help our planet through local, clean, renewable energy!

Here are the basics:

- The community solar farm is in Plymouth on Federal Furnace Road near the airport.
- This community solar farm is made available to Southeastern Mass Eversource customers.
- There is no cost to join.
- Support clean energy while still receiving the same reliability through Eversource.
- You can have a third party supplier and still enroll.
- Each month you will receive a 10% discount.
- This is open to Southeastern Mass. Eversource Electric customers (homeowners).
- Heidrea for Heroes will receive a one-time \$200 donation for each home that enrolls, which will be put to use through custom support programs serving military veterans in need of a helping hand!
