Announcing the 2018 SCCTU VSP Winter Fly Fishing Program

Classes: [Fly Fishing Tactics for Catching Trout](#)

This Program will include an introduction to all the aspects of fly fishing, including: the proper fly fishing equipment and setup, flies and hatches on local trout streams, hands-on fly rod casting instruction, manners on the stream, and techniques for catching trout in our local streams. There will be separate beginners and intermediate fly tying sections to the classes starting in January and February. All equipment and supplies will be provided. Classes are open to all Veterans and their families.
