By Linda Ambrose

On Sabbath, March 24th, NCC Women and Children's Ministries Director and Leaders on St. Croix gathered at Hope SDA Church for a brief moment to extend birthday wishes to Sis. Margaret Peters and to remind her that we love her and appreciate her ministry. Among those in the congregation witnessing her surprise were her husband, Dr. Henry Peters, Pr. Desmond F. James, President of the North Caribbean Conference, and Pr. Hesketh Matthew, Stewardship Director & Advisor to the President for Evangelism. Sis Peters is the Speaker/Evangelist of the "Christ Our Hope" Revival at Hope SDA Church from March 25-31. We continue to lift her up in prayer.

while driving. The couples that found all the locations and returned to the prearranged place in 1 1/2 hour were given tokens. We had the area decorated and asked questions like, ‘What was your most memorable occasion before and after marriage?’ We also had snacks.” Sis. John credited the younger couples, Althea & Ashdale Prince and Joel & Seanna Romaine for planning the event. To God be the Glory!
