The Seventeenth Annual Ridgefield Camporee
May 19th & 20th, 2018

Annual town-wide Boy Scout Camporee at Sturges Park

May 19th to May 20th. All Ridgefield Boy Scout troops will meet at our local camping park and work to improve the grounds, break for lunch and then work on rank advancement. Since this campout is local, Scouts can leave and return from Sturges Park as long as a leader knows the plan.

Campers should meet at Jesse Lee at 7:30 am to get equipment from the QM. Day trippers should go directly to Sturges Park. Here are the directions: Google Maps

Miscellaneous Camporee Notes

- Each Troop should bring their troop flag for their campsite.

Electronics

We ask that Scouts leave ALL electronic devices at home. This includes radios, CD/MP3 players, communication devices, laptop/palmtop computers, etc. This is a Scouting event, so you will not need any electronic devices. Anyone found using an electronic device would have it confiscated and given to a leader of the offending unit.

Cars and Parking

Vehicles should be parked in one of the two parking lots below the gate. The road to the meadow is narrow and there is no parking at the top. Only one vehicle at a time per troop will be permitted past the gate to shuttle troop gear to the campsite. Scouts should be dropped off in the bottom parking lot and hike up to the campsite. Each troop will have two scouts monitoring the gate as follows:

Looking forward to a weekend of local community effort with our Boy Scouts and hopefully nice weather.
