

Mrs. Fahey's Academic Enrichment Series

This is the 23rd summer this program will be held in Norwalk by **Mrs. Fahey**. These small group and differentiated instructional workshops, depending on the child's needs, have proven beneficial for both remedial and advanced preparation. This program has shown to be extremely effective with the transition to the next grade. The focus is on reading, writing, and math. Emphasis will be on phonemic awareness, fluency, grammar, reading comprehension, writing skills, basic math facts, problem solving and reasoning skills. This series is held for students to attend three to five mornings per week and is available for four weeks. The location is at St. Jerome's. The dates run from June 19 until July 14. The sessions are 3 hours, beginning at 7:45, with the option of extended hours. All materials are included. There are many, many references. For more information, please contact Mrs. Fahey at 203-261-8096 or 203-257-6808. You may also email her at **Kilgarvin@aol.com**.
