

# THE NEIGHBORHOOD CENTER AT UNIVERSITY PARK ELEMENTARY

**The place where students are inspired, engaged, and having fun!**

University Park Elementary School is offering a variety of free and paid afterschool enrichment classes in addition to our Extended Learning Program before and after school, Kaleidoscope Corner.

Our program is successful because of the high level of involvement from individuals and organizations in the Neighborhood Center.

To list some involved in our programs:

- Enrichment organizations that bring in high quality programming to students
- Our school teachers who create and lead classes after school
- The amazing afterschool staff, coordinating and leading students every day
- Community members who contribute financially and support students within and beyond the hours of the school day
- The Department of Extended Learning and all of the support they provide to our program
- The DPS Foundation for managing our donations
- Finally, the students who participate in the Neighborhood Center

There are many people who contribute to the Neighborhood Center in various ways, and without them we couldn't have a successful program for the students.

Here is a list of some of the programs offered at UPark through the Neighborhood Center:

<ul style="list-style-type: none"><li>• Sticky Fingers- Culinary Art</li><li>• Fencing</li><li>• Scratch Lab- Creative Coding</li><li>• Write Brain Works- Writing</li><li>• NBA Math Hoops</li><li>• Dance</li><li>• French</li><li>• Challenge Island- STEM</li><li>• Chess</li><li>• 3-D Printing</li><li>• Abrakadoodle- Art</li></ul>	<ul style="list-style-type: none"><li>• Science Matters</li><li>• Bricks 4 Kids- Legos</li><li>• Eurekus- Engineering</li><li>• Omnidome- Martial Arts</li><li>• Yoga</li><li>• Young Rembrandts- Drawing</li><li>• KidStage- Drama</li><li>• Glass Fusing</li><li>• Overtime Athletics</li><li>• Percussion</li><li>• Rugby</li></ul>
