

UPark Parent Community,

It is with bittersweet emotion that I announce that I have accepted a job at Polaris Elementary School for next year. I wanted to reach out to thank you for your support and enthusiasm over the years. It was powerful to be a part of this strong community! I feel especially thankful for the time I spent with your children; they are amazing!

There is a saying in Senegal that goes... In a book and in life you have to keep turning the pages or the wind will turn them for you. Regardless of the method, the UPark page has now turned for me and I will always treasure it as part of my story.

With Gratitude!

Sarah Holdeman
