## **UPark Kindergarten Camp**

**June 19 - 21  
8:30am-3:00pm**

Is your student eager to start Kindergarten?  
Are they full of questions?  
Anxious or excited?

We have a special camp for your  
soon-to-be UPark Owl...

Your student will have the opportunity to preview and practice classroom rituals and routines, build confidence, and develop friendships all within their new school setting. Lessons will enhance Kindergarten readiness skills and reduce any butterflies that may be a part of starting the new school year.

Owl-themed daily activities will be creative, early-childhood friendly, educational, student centered, and FUN, all while getting to know **OWL** about ourselves, our friends, and our school.

These activities will include...

- ❖ **friendship building**
- ❖ **school**
- ❖ **songs and sounds**
