Sam Glaser's soulful music has become part of the fabric of Jewish life in communities worldwide. He performs in an average of fifty cities a year and his energetic style and passionate delivery never fails to ignite the spirit of audiences of all ages. Sam infuses teaching and music into one creative opportunity.

*"The patter in between songs made the music come alive as Sam took the audience on a journey through Torah, Jewish history, the Land of Israel, the Holocaust and a Jewish wedding thrown in for good measure. "* - Jewish Image Magazine

*"Besides the music being high-quality and being so talented as a recording artist, he also has a great message of outreach and inclusion,"* Grunberger said. *"That's very important.
