10:30am Tijuana Industry Tours

Hunter Industries/Hunter Custom Manufacturing

The San Diego-based manufacturer has been in Tijuana since 2004. Specializing in plastic valves and other high-volume products, Hunter Industries' 127,000 square-foot facility was built with the same quality and safety standards as their US counterparts. Tijuana's ideal proximity keeps both shipping and production costs low.

- AS9100D & ISO9001:2015 Certified
- Facility Tour

12:30pm Foxconn Baja California

A leading electronics contract manufacturer providing advanced services to OEMs, Foxconn established its Tijuana operations in 2010. One of the largest manufacturing employers in the region specializing in PCB-A, SMT, and THT with vertically integrated operations.

- ISO 13485, 9001 and 14000 certified
- Facility Tour

2:30pm Tecate Plant Tour

Scantibodies Laboratories, Inc.

A world-class 20,000 square-foot medical imaging and therapy center in Tecate designed for patient and guest comfort. A division of Scantibodies Laboratory, Inc, the largest employer in Santee, Calif. and manufacturer of antibodies, diagnostic kits and more.

- Licensed by COFEPRIS and CNSNS (Mexico)
