As always, we will be holding a **volunteer walk through at 5:30PM on Thursday, June 28<sup>th</sup>** at the Fort Dodge Soccer Association fields on the north side of Rogers Sports Complex. During the walk through we will familiarize volunteers on the layout of the venue, where to report to and our general processes for the event. It helps make things go very smoothly night-of-show. In the event a volunteer cannot attend, the positions are easy enough to pick up on when they get there. Once volunteers are identified, we will send out volunteer packets that include an admission badge providing complimentary entrance into the event for each person taking part. People that volunteer also receive complementary soft drinks and a sandwich or two while they're working.
