

maximizing productivity while managing a diverse workforce

by: robin elston

Wright State University Lake Campus-James F. Dicke Hall

Tuesday, October 24

8am-10am

The Celina Mercer Chamber of Commerce is pleased to offer this dynamic workshop presented by Robin Elston of Elston Consulting. Robin will help business leaders face the challenges of a more diverse workforce and help us to build relationships with our employees, listen, resolve and engage...all imperative to a successful business. Robin's humor, personality, and passion will keep you entertained and wanting more!

Space is limited so you must RSVP to the Chamber office by October 18th at 419-586-2219 or email info@celinamerccer.com

FREE to Chamber Members \$15 to Non Chamber Members
