# AQUA REFLEXOLOGY

---

*Reflexology in Warm Water utilizes the ancient art of acupressure on these points to offer healing relief to the whole body by dissolving blocked energy and opening meridian pathways.*

60 Minutes - \$135

90 Minutes - \$180

All nerves in the body lead to the hands and feet, with each nerve corresponding to a specific organ or system in the body. Reflexology utilizes the ancient art of acupressure on these points to offer healing relief to the whole body by dissolving blocked energy and opening meridian pathways. Receiving reflexology while floating in warm water enhances the treatment to an ethereal level for both the body and mind.

Benefits: Reduced pain, Increased relaxation, Improved circulation, Enhanced immune system response, Enhanced organ function, Improved elimination of toxins, Improved sleep.

Contraindications: Gout, foot fractures, unhealed wounds, Not Recommended for Pregnancy
