

SPF-PFS OCAM

OHIO COACHING & MENTORING NETWORK

Regional Learning Collaboratives

Ohio's Regional Learning Collaboratives are designed to engage Ohio's prevention professionals located within rural and Appalachian communities to offer guidance and support as they seek and obtain their Ohio Certified Prevention Specialist (OCPS) credentials. As a link within OCAM, coaches will assist with eliminating barriers, provide technical assistance and equip area professionals and community members with the necessary skills and knowledge to implement evidence-based prevention.

For questions or more information contact Jennifer Benson at Jenniferdbenson.ocam@gmail.com

OCAM was created to support the Ohio Strategic Prevention Framework Partnerships for Success State and Tribal Initiative (SPF_PFS) in the state of Ohio. Funding for the SPF-PFS is provided by the Substance Abuse and Mental Health Services Administration's SAMHSA Center for Substance Abuse Prevention (CSAP) and administered by OhioMHAS
