

Network Services Company Grows Again - Adds Matera Paper

FOR IMMEDIATE RELEASE

Schaumburg, IL – February 14, 2017 – Network Services Company (NETWORK®) announces further growth in the organization with the addition of Matera Paper, San Antonio, TX.

Matera Paper (www.materapaper.com) has served commercial businesses, medical and industrial facilities, schools and universities, and contractors throughout Texas since 1957. With 5 locations and an extensive inventory of cleaning and janitorial supplies, Matera's position in the market reinforces NETWORK's strategy for continuing growth.

Alan Tomblin, NETWORK's President and CEO commented, "We've long known of Matera's success in the marketplace. Matera's focus parallels our own in providing effective solutions for businesses. Together, we will continue to provide a flexible, integrated distribution solution that will drive Supply Chain efficiency and overall value for our customers."

Founded in 1968, NETWORK remains one of the largest distributors in the United States. On a consistent growth trajectory in size and scale, NETWORK continues to expand both capabilities and coverage as the organization approaches its 50th year of doing business.

About Network Services Company

NETWORK is the distribution solution that improves supply chain efficiency and drives business success for corporate accounts in grocery, foodservice, commercial real estate, healthcare, industrial packaging, lodging, and commercial print. NETWORK offers deep experience, vast infrastructure, customizable programs and best-in-class products. The system blends centralized program management with true local market presence on an international scale. You'll call this a better way to do business. We call it Distribution by Design®. For more information, visit www.networkdistribution.com or call 800.683.0334.
