### Trip Details:

## Packing

\*\*\*Dress and pack for any weather. This trip will happen regardless of the temperature and weather conditions. The only reason it will be cancelled is if there is an extreme snowfall and the roads are closed.\*\*\*

### Students should pack the following:

One overnight bag

- This bag will be locked in a storage room while we are skiing on Thursday and Friday.
  - Inside this bag please place all labeled clothing and items not required while skiing.
  - Please remember to pack at least two changes of warm clothes.
    - One for Thursday night skiing
    - One for Friday skiing

A bag for the ski hill (optional)

- If a student chooses to, they may lock this bag up in the Ski Chalet (for a fee) and have access to it throughout the day.
- Unlike Hockley Valley, students should plan on paying for a day locker – and not leave their bags unattended.

### Electronic Devices

- Students are welcome to bring electronic devices such as tablets, phones or portable gaming devices, with the following understanding:
  - The devices are only to be used on the bus ride to and from Blue Mountain and in the hotel rooms.
  - The devices need to be locked away in their overnight bag while skiing.
  - If a device is a smartphone (and they want to keep it with them), students may use the device to take photos, listen to music, or call home. Devices are not to be used for messaging/texting, playing games or surfing the Internet while we are scheduled to be skiing.
