*Professional Speaker, Author, Encouragement Engineer*

*Enthusiastic Encouragement for Positive Action*

**Bob Brumm** is a professional award winning Speaker, Author & Encouragement Engineer serving corporate, collegiate, sales and youth organizations with encouraging keynotes or workshop presentations. Bob also works with individuals to achieve personal and professional growth with positive encouragement to TAKE ACTION, Achieve Goals or change existing restrictive habits into positive outcomes. Bob is a top selling author of six books; **“Do You Have Money To Burn?”**, **“Words of Wisdom”**, **“The Power of Knowledge”**, **“Laugh and Live”** and **“The Positive Perspective”** and **“Values From The Man Who Gave Me My Name”**. His strategies have inspired, encouraged and taught thousands of people how to achieve their goals through positive action and save over \$500 a month.

Bob has been a guest on nationally recognized shows such as The Adam Smith show, [www.Blogtalkradio.com](http://www.Blogtalkradio.com), [www.Dailyinterviews.com](http://www.Dailyinterviews.com), Mornings with Lorri & Larry on Family Net radio, WILX News in Lansing Michigan, Success Made Simple in Tampa Florida, TheAuthorsShow.com, The Empowered Speaker show, The Real Estate Quarterback Show, YearToSuccess.com and quoted in publications such as USA Today, ComputerWorld, TechMediaReports and TheStreet.com regarding his encouraging money saving and customer building strategies. With his diverse professional background in Accounting, Business, IT/Telecommunications and as a husband and father of three boys, Bob can relate to many audiences through his personal and professional struggles and successes. Bob has presented positive, encouraging messages for many organizations and as a direct result, has been recognized for encouraging work efforts that have led to both time and money savings for many groups.

Bob has had the opportunity to share his skill, knowledge and energetic perspective with many organizations which include: Frost & Sullivan, First Energy, Hillsborough Community College, Hillsborough County schools, INFOCOMM, IMCCA, INTEROP, International Nortel Networks Meridian Users Group conference (INNMUG), The Institute of Internal Auditors, Lee Hecht Harrison, Rehabicare, MetLife, The Optimists Club of St. Petersburg, Tampa Jesuit, The Tampa Bay Beaches Chamber, The University of North Florida, The University of Tampa, The Tampa Tribune, Tampa Electric, TECO Energy, Tandberg, Pinellas County Schools, PitchFreeRealEstate.com, Price Waterhouse Coopers, WEDU.
