

What is a Horse Race Shootout?

Here's how it works:

- **Teams consist of Twosomes**
- **Race Entrance Fee \$20/ team**
- **All teams will be grouped together and will tee off together on hole # 1. That's right, 20 golfers going together!**
- **Teammates will hit alternate shots**
- **The highest score on a hole will be eliminated (with a putting contest to determine tie breaks)**
- **Play will continue until we get to hole 9 and the last team is standing**
- **That team will win the \$200 Jackpot**

Spectators are welcome at no charge. And of course, the beer cart will be making the round with the group. Heckling the other golfers after elimination is encouraged!

Everyone returns to the clubhouse afterwards for our food special + drinks. Spectators welcome to join us as well!

****Only the first 10 Teams will be able to play****

If there is more interest, we can run 2 races at the same time but need a second 10 teams to make it happen
