

# together for good

funding the brooklyn community safety net

Community Emergency Assistance Programs (CEAP) and Avenues for Homeless Youth are hosting Together for Good – a fundraiser to strengthen the Brooklyn Community Safety Net. Our goal is to ensure all who live here are safe, warm, fed, and have the opportunity to thrive. By sponsoring the inaugural event of the Brooklyn Community Safety Net, you make it possible for your neighbors to move from surviving to thriving.

## Sponsorship Opportunities

### Thrive: \$10,000

- On stage remarks
- Top logo placement on all marketing materials
