

At the first Pentecost, the Holy Spirit descended upon the disciples gathered in the Upper Room and appeared as a *flame* over their heads. Once frightened and unsure, the disciples were transformed into bold witnesses of the Gospel of Jesus Christ. Consequently, a *flame* has come to symbolize the transformational power of the Holy Spirit's actions in the life of the Church (CCC 696). The **Flame Award** is presented to students who exemplify the transformational power of the Spirit. They offer visible witness to this power through their growth in virtue. Specifically, each of these students have demonstrated the following virtues throughout the year: ***Faith, Reverence, Stewardship, Generosity, Gratitude, Honesty, Mercy, Justice & Zeal.***
