Advancing Women in Transportation
Greater Dallas/Fort Worth Chapter

Dallas/Fort Worth Chapter of WTS presents

The 35Express Project is the \$1.4 billion expansion of Interstate 35E between US Highway 380 in Denton County and I-635 in Dallas County.

The project will:

- reconstruct the Belt Line Road interchange
- make improvements to more than 75 bridges
- construct a new southbound bridge over Lewisville Lake
- add a lane of traffic in each direction between the Sam Rayburn Tollway and US Highway 380
- add an 18-mile reversible managed toll lane system

The Design-Build project is expected to relieve traffic congestion in one of the most heavily traveled corridors in the North Texas region.

\$25 for Members
\$35 for Non-Members
\$15 for Students
