COMMUNITY DIALOGUE**

Redwood Falls/Lower Sioux/Redwood Area

You are invited to participate in the third meeting of this continued dialogue. The first two meetings were held within each community. This third joint dialogue will bring everyone together again to hear about the responses of the first convening and explore possibilities for how our communities can move forward together in a shared society. This meeting is OPEN to the Public and you didn't have to attend either of the first two meetings to be at this meeting. We invite citizens from all walks of life to engage in this important conversation for possibilities.
