CIPHEX West 2018
November 7 & 8, 2018
BMO Centre, Stampede Park, Calgary, Alberta
www.ciphexwest.ca

Produced by the Canadian Institute of Plumbing & Heating (CIPH), CIPHEX West is the largest event in Western Canada for industry professionals in plumbing, hydronics, heating, ventilation, air conditioning, refrigeration and water treatment.

Thousands of products will be displayed in the 30,000 square foot exhibit hall making CIPHEX West a one-stop, must-attend event for contractors, wholesalers, engineers, building managers and other industry professionals. CIPHEX West visitors will have the opportunity to:

- MEET more than 200 exhibitors;
- SEE thousands of products, in hundreds of categories;
- FIND new ideas and solutions to help design, install, maintain or specify products & systems; and
- LEARN from industry experts at seminars and workshops on plumbing, hydronics, HVACR and water treatment topics.

Canadian Hydronics Conference

“CHC is pleased to present the 4th Canadian Hydronics Conference in conjunction with CIPHEX West 2018”, Council Chairman Dave Hughes (NAIT) stated. “This gives us a terrific opportunity to provide premium hydronics training and displays to support hydronics professionals and showcase this market segment to the wider industry.”

Sessions will present technical solutions to specify, install and maintain hydronic systems as well as expert insights into future trends in modern hot water heating and practical solutions to increase hydronic sales. John Siegenthaler (Appropriate Designs) will present two workshops.

Co-located with BUILDEX Calgary

BUILDEX Calgary attracts professionals involved in design, build or management of buildings. The two exhibit halls will be connected so that visitors from BUILDEX Calgary can also attend CIPHEX West giving visitors access to both trade shows with one badge.
