Begin sorting through your attic and basements for items you don't need and donate them to the FBC Yard sale!

The group is taking all items EXCEPT: electronics, large furniture, exercise equipment, and tires. We will even accept gently used clothing—seasonally appropriate, so just fall and winter clothes please. Items can be dropped off in the church gym on Friday, October 27th.

All funds raised will go toward the 2018 mission trip to Plymouth, NC. Come shop on Saturday!

## in the family....

**Terri McFadden** wishes to offer thanks to the church family for all the kindness, the cards, and the many prayers sent her way following her heart attack this summer – the love and care meant a great deal to her.

**Nancy Winter** is asking for prayers for her family following some scary accidents with vehicles – her grandson had the front wheel of his bike come off while he was riding, and he was thrown over the handlebars, breaking his teeth and cutting his face. Her son, David, was traveling with his wife in an RV and the wheel came off, tossing them down an embankment. Fortunately, everyone is doing ok. Nancy is grateful that her family is all safe and thanks God for their care and keeping.

**Lucy Keller** is asking for prayers for her mother, Lucy, who is having cataract surgery. She also asks prayers and traveling mercies for her sister, **Mary Hollinhead**, who is traveling home from England.

**Evelyn Wightman** is celebrating her recent move to Harborlight House, where she is very happy.

**Margaret Davey** was in worship with us on Sunday and celebrating her 95<sup>th</sup> birthday! Congratulations and happy birthday to Margaret! **Arlene Trask**, also in worship, was celebrating that she will turn 93 on October 10<sup>th</sup>!

**Doris Ann Vosseler** asks for prayers for all those in Puerto Rico. **Bryan Vosseler** has cousins there, with whom they have not yet been able to connect.

**Cathy Auld** is grateful that her parents' home, which was damaged in a fire, is being rebuilt.

**Ben Zoba** celebrates the amazing work done on Super Mission Saturday, including a great group of hard workers from the church who helped out at The Garden School. He also celebrates the work being done by the Trustees and Church Council to think together and creatively about socially responsible investing. As Ben said, "let's celebrate the really cool work the church is up to."

**Karen Popadic** is now recuperating at home.
