

Janice Lopez
Program Coordinator & Film Permit officer
The City of Palm Springs

She just received the Public Employee of the Year 2017 award for her professional excellence while working with the film industry on location in the State of California. Besides, Film Permits she is the jack of all trades for the Parks and Recreation department and is also responsible for the front counter, banner installations downtown and assisting with all the parades in town, so if you see her directing traffic, don't be surprised.
