

Shutterfly Instructions

→ How to Upload Your Photos to Shutterfly – [Shutterfly Instructions](#)

MOBILE APPS

Download our app to **upload** photos and seamlessly integrate Shutterfly with your **mobile** device.

→ App Download: [iPhone/iPad](#) - [Android](#)

More information: [iPhone](#) - [iPad](#) - [Android](#)

→ [STANDARD - Instructions \(from COMPUTER\)](#)

Add as many photos as you want in just one step with this Flash-based tool. Best for quick, straightforward **uploading** of folders of photos.

Social Connect

Import your Facebook, Instagram, and Flickr photos directly into select products. Currently not available for direct **upload**, but photos will be saved to your account. Requires sign-in, authentication, and permission.

To learn about other ways to add photos to your Shutterfly account, [click here](#).

Please note: at this time, we do not offer any way to upload/import photos from Tumblr, Imgur, or other social media sites not listed above. We also do not offer a service to develop or upload images from film/disposable cameras, storage media, or cloud services.

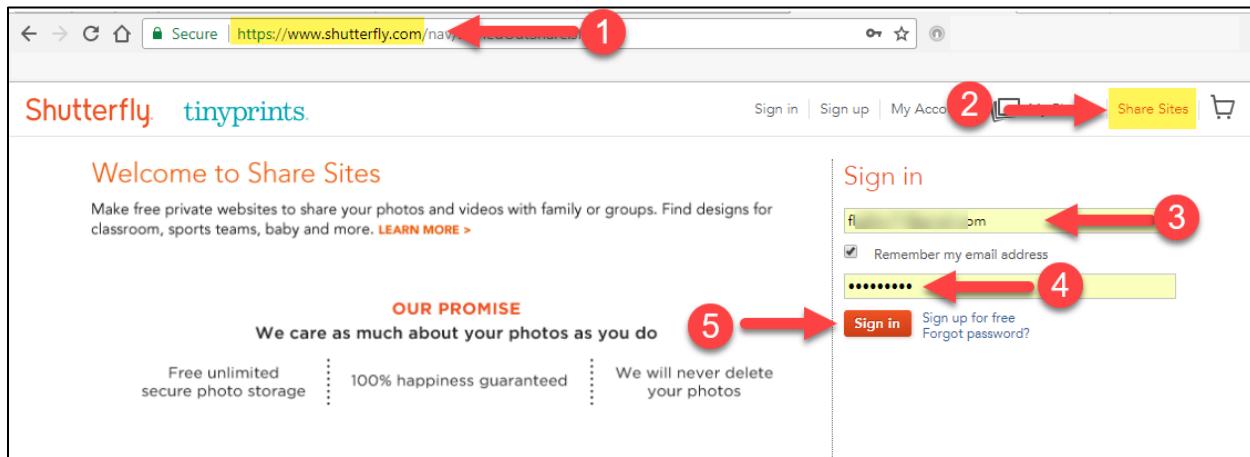

Troubleshooting

Please see our basic [troubleshooting guide](#) for ways to resolve common issues in **uploading** photos to your Shutterfly account. ([Slow uploads?](#))

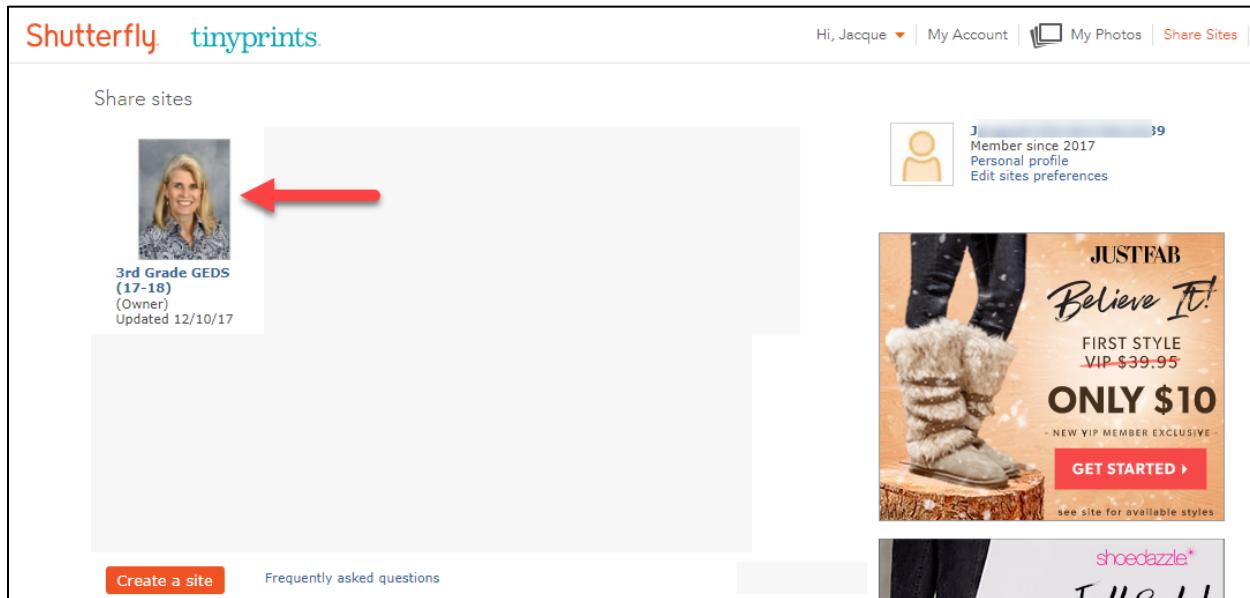

Shutterfly Instructions

Upload Pictures from Computer

1. Go to <https://www.shutterfly.com>.
2. Click Share Sites in the top right corner.
3. Under Sign in, type in the email address you provided to the school. This is the email address used to add you as a member to the class Shutterfly site.
4. Type in your password. If you forgot your password, click Forgot password. (NOTE: If you do NOT have an account, click Sign-up for free and follow the steps to create an account.)
5. Click Sign in.

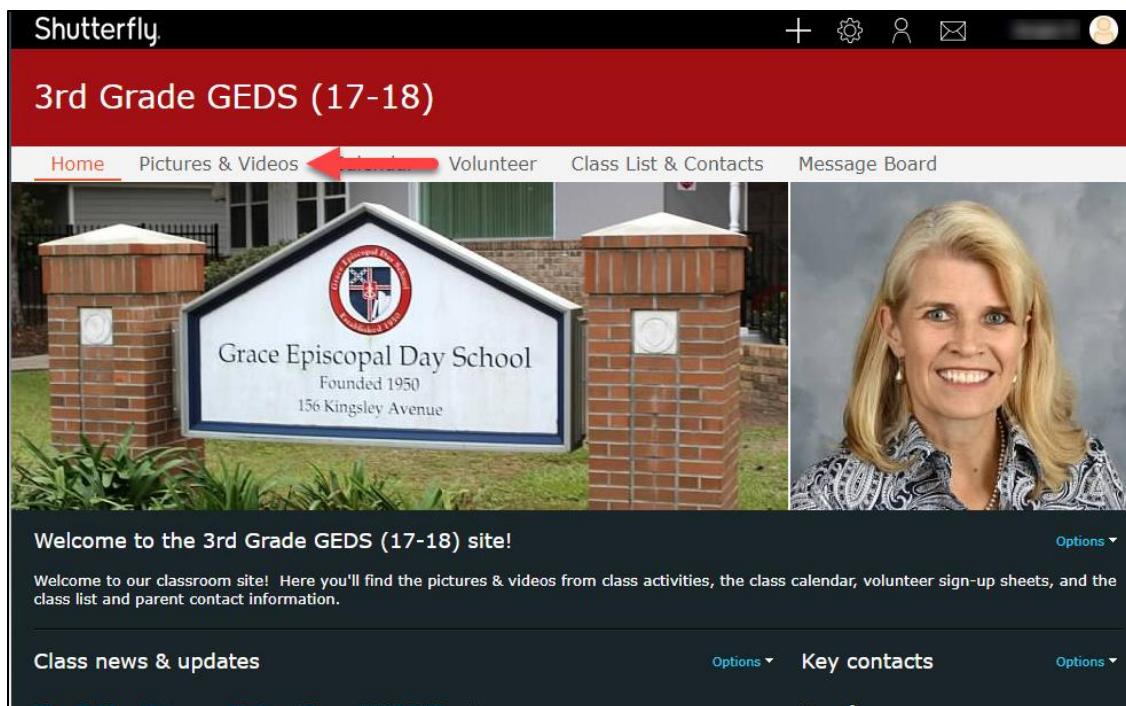

6. Click on the class shared site.

Shutterfly Instructions

7. Click Pictures & Videos.

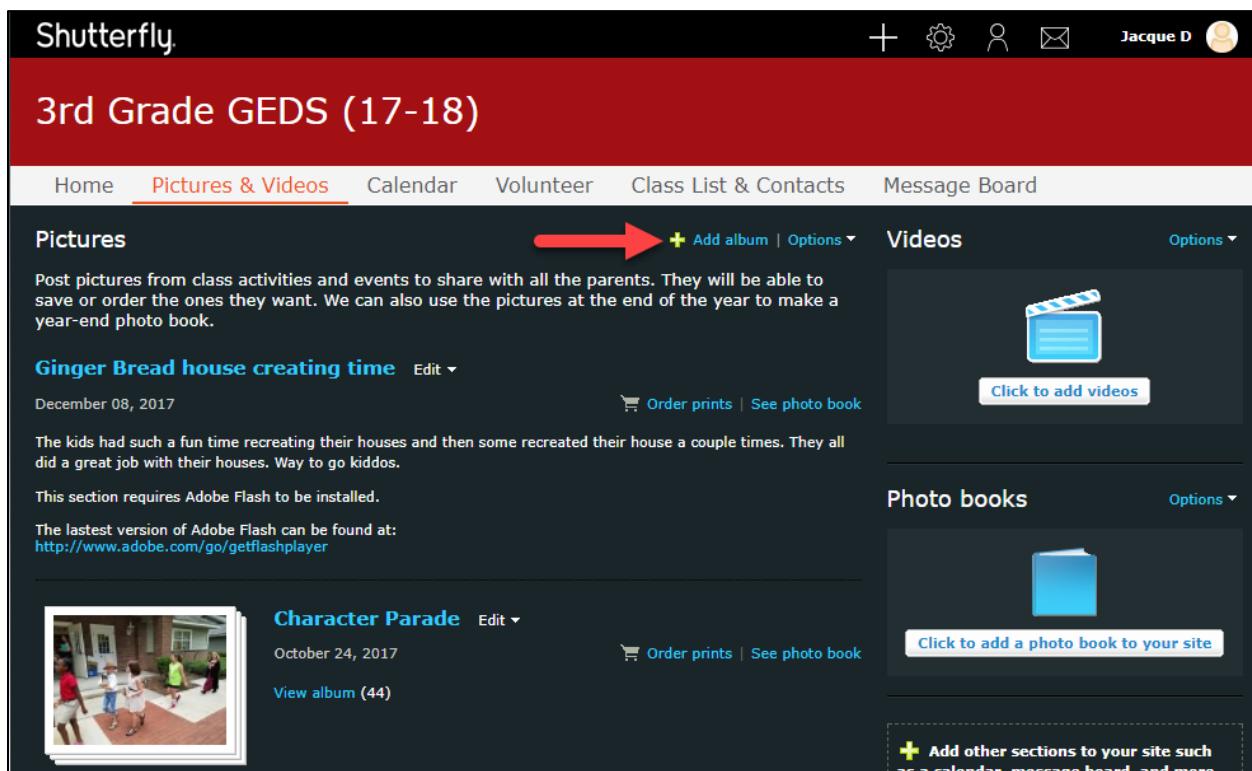

Welcome to the 3rd Grade GEDS (17-18) site!

Welcome to our classroom site! Here you'll find the pictures & videos from class activities, the class calendar, volunteer sign-up sheets, and the class list and parent contact information.

Class news & updates

8. Click Add album.

Post pictures from class activities and events to share with all the parents. They will be able to save or order the ones they want. We can also use the pictures at the end of the year to make a year-end photo book.

Ginger Bread house creating time Edit ▾
December 08, 2017 Order prints | See photo book
The kids had such a fun time recreating their houses and then some recreated their house a couple times. They all did a great job with their houses. Way to go kiddos.
This section requires Adobe Flash to be installed.

Add other sections to your site such as a calendar, message board, and more

Shutterfly Instructions

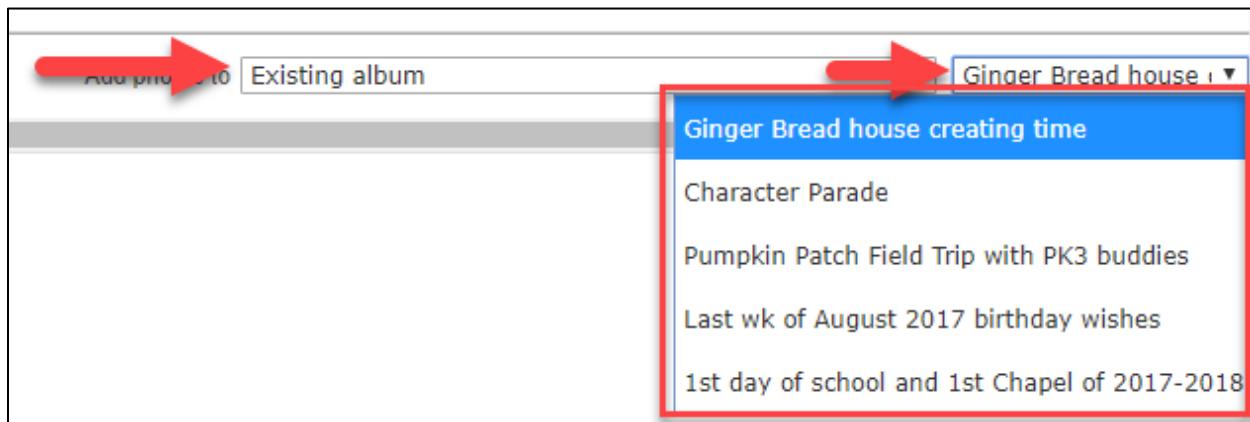

9. Type the name of the new album into which you want to add pictures. You could put your first and last name, if you want.
10. Click Upload.

11. If uploading to an existing album, click Existing album from the drop-down.

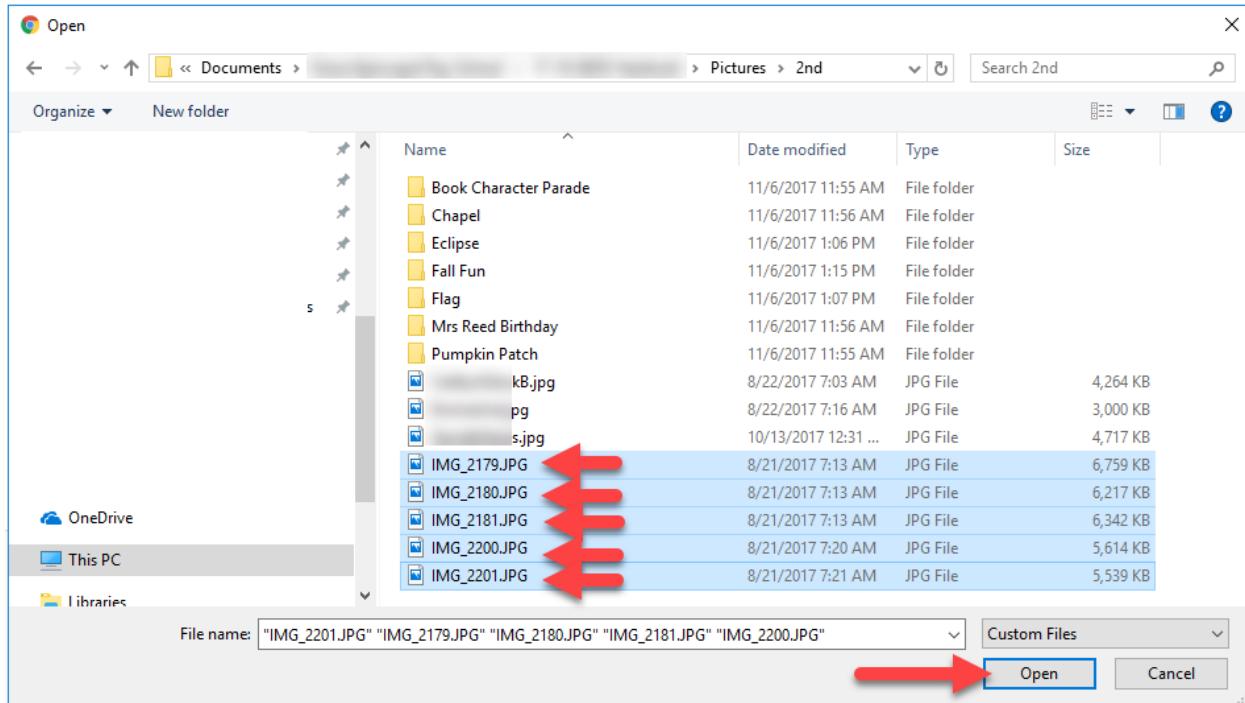

12. Then, select the album for which you want to upload your pictures.

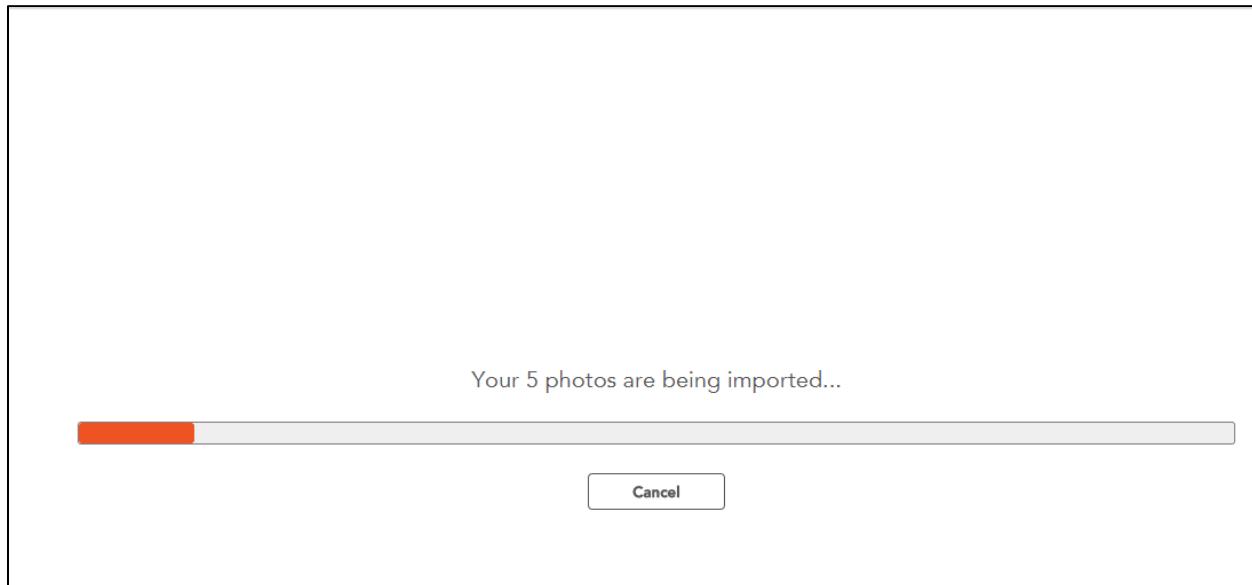

Shutterfly Instructions

13. A new window will appear. Navigate to the folder on your computer where the pictures are stored.
14. Select all of the pictures you want to upload.
15. Click Open.

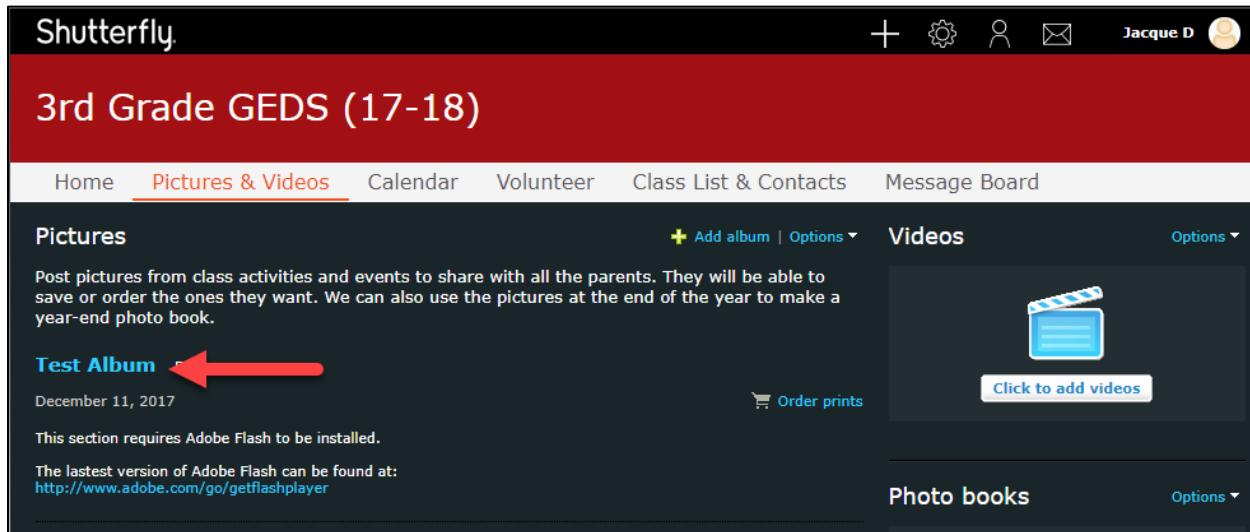

16. A message will appear letting you know the photos are being imported.

Shutterfly Instructions

17. Once the import is complete, you will be taken back to the Shared site and the album you created will appear. Click on the album title (blue text).
