

College Bound **MONEY BOOT CAMP**

Sponsored by: *Office of Student Enrichment and Family Connections*

Welcome to Rowan University's College Bound Money Boot Camp!

Whether you are thinking about a 2 year or 4 year college program, a technical college or program, or a training program leading to a certification, it's important to plan for what your student or you will be studying, where your student will enroll and how your student and you will pay for it. College Bound Money Boot Camp is designed as a one-day series of workshops and informational tables where students and their family members work side by side with the University's Admissions Office, Financial Aid Office, and Lenders to gain a head start and competitive edge on the admission and payment process.

Saturday, May 13
8:30am - 3:30pm
Savitz Hall
Rowan University

201 Mullica Hill Rd, Glassboro, NJ 08028

College Bound Money Boot Camp registration must be done by May 6, 2017 by emailing your participation confirmation and/or any questions to: OPFC@rowan.edu
