

**NexGen Corner**  
**Alexandria Cole**

Thank You! This year was the first formal NexGen year for FPANC and has been a huge accomplishment for the chapter because of all the support received from the membership.

We were successful in building a new committee of NexGen members this year and plan to grow the group in 2017. Our NexGen Kick Off Summit had an awesome turnout and we want to Thank ALL of our awesome sponsors again for believing in and encouraging the next generation of planners. We had 64 people in attendance for our event and we got a lot of new information from Alan Moore on what the future looks like for servicing the next generation of clients.

A lot of people in attendance and our membership have been asking about how to get involved with NexGen so we decided the best way is to host a NexGen meeting to explain what NexGen is and allow people to get involved in what NexGen has planned for the 2017 year. If you're interested in volunteering, meeting other NexGen individuals or just curious about the conversation, PLEASE attend our first NexGen meeting of 2017:

**When:** Tuesday, January 31, 2017 from 6:00pm-7:00pm

**Where:** 601 University Avenue, Suite 265  
Sacramento, CA 95825

More information will be sent soon! If you have any additional questions about NexGen, please contact Alexandria Cole at: [acecole91@gmail.com](mailto:acecole91@gmail.com)

**NexGen Kickoff Summit Sponsorship Thank you!!**
