

Membership Corner

Dusty Hoetger, CFP®, RICP® & Patrick “PJ” Johnson, CLU

My membership with the FPA continues to impress me! It has helped me grow as a planner, provided quality resource partners to connect with my clients, and the opportunity to network with my peers who, more often than not, become new friends. For those of you who are already members, you most likely feel the same way! And if you don't, please reach out to me and let me know your thoughts on how we can do better!

Our goal is to spread the message about the value of becoming an FPA member. And we want to provide all of our members with the tools to make it easier to articulate the value of membership. We all need to Be a Part of It! Coming shortly, we will have a useful “matrix” of membership options as well as highlighting some key benefits. This will be readily available and will make it easy for you to help increase our membership and continue to strengthen our chapter.

As previously mentioned, we are continuing to put together Happy Hour Mixers and the next one happens this month. You don't want to miss out on this! What better way to end tax season then to get together, relax, and connect with others? The mixer is in Folsom at the Lazy Dog Restaurant and Bar. The cost is FREE to members and includes 2 drink tickets and appetizers. For non-members, the cost is \$10 which is an inexpensive way to come check us out and see what a great group we are and learn more about becoming a member! We encourage members to bring a non-member! A big thank you to our sponsor - Launi Cooper with Retirement Funding Solutions.

Remember, FPA is your one stop shop to discovering all you need to know about financial planning and offers a variety of platforms including communities, publications, conferences and online learning to do it. You can learn more by going to <https://www.onefpa.org>.

Please reach out to us if you are interested in learning more about the Board and how you can get involved. Everyone can play a part in helping shape the future of our profession!
