LETTER FROM THE PRESIDENT

Dear Alumni, Parents and Friends of Lopez:

It is with great pleasure that we share this Annual Report magazine with you. Colleagues who proofed earlier drafts of this publication suggested that we might want to rename this our Thanksgiving Report. Once you peruse these pages, you might also agree with that suggestion. There is so much for which we can all be thankful.

At Father Lopez Catholic High School, we are first and foremost thankful for our wonderful **students**. The *School and Graduation Highlight* sections of this magazine will provide solid evidence of their good-heartedness and of well-deserved recognitions earned through hardy efforts in the classroom, on the playing fields and in other areas of competition. None of this happens, of course, without the wonderful guidance and care provided by our **faculty, staff, coaches** and **administrators**.

We are thankful for the **parents** of our students. Throughout the magazine, you will see several pictures of proud parents celebrating special

events and happy occasions. We appreciate the many sacrifices they make to provide their sons and daughters with the gift of a Lopez education.

The **alumni** of Father Lopez continue to be a source of great pride for our Green Wave nation. Whether they attended classes on our original campus or at our current site, they remain very loyal to their *alma mater*. Judging by their smiles in our reunion photos, you know they are reliving great Lopez memories.

With nearly 4,000 alumni, it is not possible to highlight all of their many accomplishments. However, the *Alumni Update* section offers an interesting sampling of achievements. Thirty-five alumni from six different decades are featured.

Since our founding in 1959, Father Lopez has done more than just survive. In fact, our school has thrived! That would not have been possible without the generosity and kindness of many **friends, benefactors** and **parishes**. We humbly acknowledge many of them in the *Donor Sections* of this report.

Lastly, I want to thank **you**—the readers of this magazine. I thank you for taking the time to read our Thanksgiving Report. I hope that you will recycle this good news by sharing your copy with family, friends and neighbors. May God bless you, and may He continue to bless all members of the family that is Father Lopez Catholic High School.

With every best wish, I am,

Sincerely,

A handwritten signature in black ink that reads "Michael J. Coury". The signature is written in a cursive, flowing style.

SCHOOL HIGHLIGHTS

The curtain has come down on the production that was the 2015-16 school year at Father Lopez. And what a production it was! Excitement abounded at the opening of the school year as we welcomed a new principal, **Pat La Morte**, to our school family. Other newcomers joining us this past year included 151 incoming freshmen. This talented class was the largest to ever enroll in our school! When the curtain finally came down at the end of the year, we proudly graduated 91 seniors, pushing the total of Green Wave alumni closer to the 4,000 mark. Additionally, we noted that our newest graduates were offered over \$5.2 million in college scholarships. Packaged in between the opening and the close of the school year were many notable and exciting accomplishments. A variety of those achievements and milestones are highlighted in this section of our Annual Report.

Dominican Republic Mission Trip

In addition to academic, athletic and other co-curricular opportunities, the Lopez experience continued to be one that focuses on helping others. During this past year, our students logged over 18,000 hours of community service assisting those in need. Many Lopez students participated in volunteer activities at the parish and community level. These activities included the coastal clean-up and the homeless lockout; collecting monies for the Ronald McDonald House, Mental Health Volusia and the Boys & Girls Club; packaging 58,000 meals to help feed the hungry in our local area (Feeding Children Everywhere); and, gathering toiletries, clothing and school supplies for youngsters in our sister diocese in the Dominican Republic. A new and exciting hands-on project this past year was the on-campus garden planted by the Green Wave 4-H Club, a garden that provided fresh produce for distribution to local food banks.

Later in the year, 14 students participated in our second annual

weeklong mission trip to the Dominican Republic: **Danny Alvarado-Gomez; Palmer Cowgill; Sarah Eads; Bailey Gillespy; Caroline Herrero; Austin Keil; Annie Morejon; Connor Nyborg; Christina Portuallo; Alex Rivera; Katie Rogers; Jessica Short; Mady Ufheil;** and, **Brianne Yaryan**. They were accompanied by three Lopez faculty members (**Anabel Borbón, Regina Boyd** and **Dan Boyd**) as the students did chores and provided English instruction to the children in the Diocese of San Juan de la Maguana.

Prior to the start of the school year, several changes were made in the O'Neill Family Media Center. An Innovation Center was established within the facility. Designed to spark student creativity, the Innovation Center houses a "makerspace". This area includes a 3D Printer and a 3D camera; a robotics section; fashion design area; photography studio; and, a computer coding station where students can build their own software programs. The center also houses an 80-inch screen for large group presentations; soft-

seating areas complete with charging stations; and a number of TEAL stations to provide Technology Enhanced Active Learning opportunities for our students and faculty.

During the year, individual accolades were earned by a number of students. These included **Fernanda (Fey) Reyes** receiving an Excellent rating in playwriting at the Drama State Festival; **Summer Cowan** capturing second place honors at the State Social Studies Fair for her Individual Exhibit on The Apollo Program; **Sophia Estavillo** participating in the State Social Studies Fair after claiming first place honors in Volusia County for her Documentary on Sally Ride; **Sean Perryman** receiving a Heart of Volusia Grant to attend the University of Florida's Student Science Training Program (a seven-week summer residential program emphasizing research in science, math, computers or

engineering); **Emily Edwards**, **Michael Hill** and **Christine Gepilano** winning awards at the 53rd Halifax Art Festival; **Sarah Hill** being accepted into the Mensa Society after scoring in the top two percent

on national intelligence tests; **Brooke Dennison** for creating the winning Earth Day art project; and, **Connor Nyborg** for

receiving a Medallion of Excellence from the Daytona Beach News Journal.

On the academic front, another honor society was launched this past year. Under the direction of faculty member **Jennifer Baselice**, the Lopez chapter of Mu Alpha Theta was founded. Charter members of this mathematics honor society were: **Danny Alvarado-Gomez**; **Ryan Atkins**; **Maggie Bowler**; **Johnny Chen**; **Tania Estavillo**; **Christine Gepilano**; **Nadia Hardman**; **Sierra Hinzman**; **Morgan Horan**; **Ana Le**; **Sam Liu**; **Maxine Ma**; **Josh Mayr**; **Jane McAskill**; **Mitch Nathan**; **Annalisa Peburn**; **Josh Pegoraro**; **Sean Perryman**; **Christina Portuallo**; **Katie Rogers**; **Franky Shi**; **Jessica Short**; **Tom Sussan**; **Zoe Toledo**; **Mady Ufheil**; **Hannah Weary**; **Maya West**; **Emily White**; **Brianne Yaryan**; **Megan Yaryan**; and, **Frank Zhou**. team. Representing our school in academic quiz bowl competition were: **Ryan Atkins; Austin Gonzalez; Alex Jean-Mary; Josh Mayr; Mia Prado; and, Adrienne Yaryan.**

Under the leadership of Athletic Director **Scott Drabczyk** and the Lopez coaching staff, our student-athletes had another banner year. The Green Wave won four District Championships: **Boys' Cross Country; Boys' Weightlifting; Girls' Track and Field; and, Girls' Tennis.** Additionally, 20-win seasons were posted by both the **Girls' Volleyball** and the **Girls' Basketball** teams.

The crowning jewel, of course, was the first-ever **State Title** won by the **Boys' Cross Country Team!** This accomplishment garnered **Coach Sue O'Malley** several Coach-of-the-Year honors. This included recognition from Florida Runners, Florida Dairy Farmers Association and the Daytona Beach News-Journal. Team members running at State were: **Chase Massi; Nick Ohlwein; Matt Roof; Tanner Rosolino; Nick Theriault; Noah Van der Burgt; and, Noah Willis.**

Individual accolades were also received by **Bailey Gillespy**/track & field (News Journal Female Track Athlete of the Year and Brighthouse Networks Volusia County Female Track Athlete of the Year), volleyball (First Team All-District); **Caroline Votaw**/golf (News Journal First Team All-Area); **Brianna Pado, Matt Roof and Nick Theriault**/cross country (News Journal First Team All-Area); and, **Caden Sikorski and Connor Sikorski**/tennis (News Journal First Team All-Area).

Six individual student-athletes also represented Lopez in State competitions: **John Hill and Caroline Votaw** (golf) and **Lauren Anderson, Noah Dunn, Hogan Wilder and DeVonte Woods** (weightlifting). Also, the **Dancing Green Wave**, under the leadership of **Coach Erin Hunter**, claimed National Honors in the Small Team Pom category.

The Monsignor Mullally and the Sister Rose Ellen Awards that go to the top male and female athletes in the senior class were awarded to **Jake Godbee** (swimming/baseball) and **Bailey Gillespy** (volleyball/track & field). The David Cesari Memorial Award for the student-athlete who has given 110% on the athletic field and in the classroom over the last four years went to **Mia Prado.**

The successes of our student-athletes carried over into the classroom. Eighteen teams qualified for the Florida Academic Championship by posting a team grade point average higher than a 3.000. The nine girls' teams earning this recognition were: **Volleyball** (3.700); **Tennis** (3.617); **Cross Country** (3.604); **Swimming** (3.604); **Soccer** (3.586); **Basketball** (3.518); **Track** (3.490); **Weightlifting** (3.243); and, **Softball** (3.217).

The nine boy's teams qualifying for the Florida Academic Championship recognition were: **Swimming** (3.468); **Cross Country** (3.459); **Baseball** (3.439); **Soccer** (3.333); **Track** (3.255); **Weightlifting** (3.143); **Lacrosse** (3.082); **Basketball** (3.073); and, **Golf** (3.003).

Eight student-athletes planned to continue their studies and playing careers on the collegiate level: **Shelby Bischoff**, basketball at Embry-Riddle Aeronautical University; **Dominic DiGioia**, football at Stetson University; **Bailey Gillespy**, track & field at the University of Richmond; **Jake Godbee**, baseball at Norwich University; **Nick Ohlwein**, track & field at Jacksonville University; **Juwan Ross**, football at Old Dominion University, **Nick Theriault**, cross country at Stetson University; and, **DeVonte Woods**, football at Palomar College.

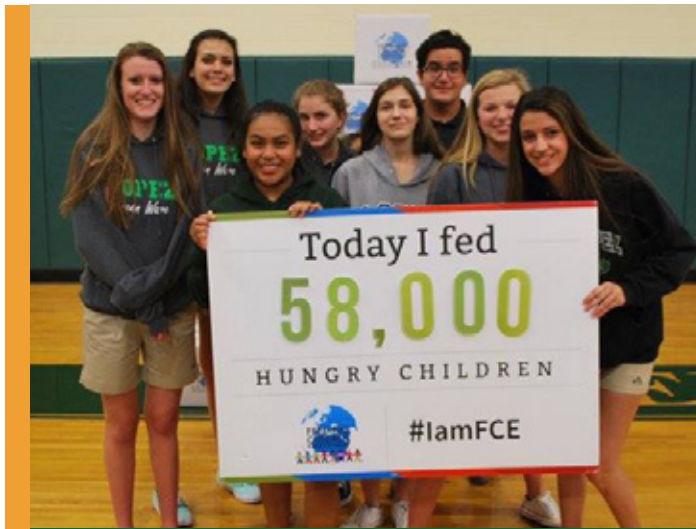

Lastly, the long-anticipated opening of on-campus fields for baseball and softball took place in the spring. The infrastructure for an eight-court tennis complex was put into place as well. These planned amenities will provide additional learning and recreational opportunities for all of our students.

COLLEGE READINESS REPORT

The American College Testing (ACT) program, based in Iowa City, Iowa, was launched in 1959. Today, more than 1.8 million high school graduates annually take the ACT college admissions and placement test. Through collaborative research with postsecondary institutions nationwide, ACT has established college readiness benchmark scores for designated college courses.

A benchmark score is the minimum score needed on an ACT subject-area test to indicate a 50 percent chance of obtaining a B or higher or about a 75 percent chance of obtaining a C or higher in the corresponding credit-bearing college courses.

Data in the chart have been provided by ACT. It reflects the percentage of benchmark scores attained by the Class of 2016 graduates from Father Lopez with Class of 2016 graduates from the State of Florida.

Percent of ACT-Tested Students Ready for College-Level Coursework

ADVANCED PLACEMENT (AP) EXAMS

Last May, 215 Lopez students took 300 Advanced Placement exams in 16 different subject areas. Scores on each AP exam can range from a low of 1 to a high of 5. Students who earn a score of 3, 4 or 5 become eligible to receive college credit for the course. According to The College Board that administers this program, most colleges and universities nationwide offer college credit, advanced placement, or both, for qualifying AP Exam scores. These credits can allow students to save college tuition, study abroad, or secure a second major.

Listed below are the percentage of Lopez test-takers who scored a 3 or higher on the individual exams.

Calculus AB	100%	Psychology	54%
Physics I	100%	Biology	50%
Spanish Language & Culture	100%	Chemistry	27%
Studio Art: 3-D Design Portfolio	100%	English Literature & Composition	27%
Human Geography	80%	Studio Art: 2-D Design Portfolio	25%
United States History	80%	Environmental Science	24%
World History	61%	Microeconomics	--
US Government & Politics	60%	Statistics	--

As a point of information, 163 Lopez students took 222 Advanced Placement exams in the previous year. All students in Spanish Language & Culture and Studio Art: 3-D Design Portfolio scored a 3 or higher during the past two years. Subject areas showing the biggest one-year gains were Calculus AB (improving from 21% to 100%); US Government & Politics (improving from 0% to 60%); and, Physics I (improving from 60% to 100%).

SCHOLARSHIP ENDOWMENT FUNDS

An Investment in Our Students

Several endowment funds have been established for the purpose of providing tuition assistance for Father Lopez students. Six separate endowment accounts have been invested with The Catholic Foundation of Central Florida, Inc. Each year, only a percentage of investment growth may be withdrawn and distributed for tuition assistance as specified in the original endowment agreement. By making only partial withdrawals, the corpus of each fund can continue to grow. This helps ensure that scholarship aid will be available for future students in need of financial assistance.

We greatly appreciate the generosity and thoughtfulness of families and friends who have made these endowments possible. Collectively, these funds have grown to over \$1.2 million as of June 30, 2016.

THE JILLIAN ELIZABETH BLAIS MEMORIAL SCHOLARSHIP FUND

THE IAN A. GILMORE MEMORIAL SCHOLARSHIP FUND

THE SYLVIA HOPE HARRIGAN MEMORIAL SCHOLARSHIP FUND

THE LEONARD T. (PAT) MURPHY SCHOLARSHIP FUND

THE DOROTHY AND WALTER SHELLEY FAMILY SCHOLARSHIP FUND

THE HENRY S. SITKOWSKI MEMORIAL SCHOLARSHIP FUND

If you would like to contribute to any of these funds, or if you would like to discuss the possibility of establishing an endowment fund for the purpose of your choice, please contact School President Michael Coury at (386) 492-5090 or mcoury@fatherlopez.org.

(In addition to these funds, a separate endowment also provides tuition assistance for Lopez students. The Father Lopez Foundation, Inc. awarded \$118,608 in assistance for the 2015-16 school year. Mrs. Mary O'Neill-Clement serves as the Board of Trustees Chair for this endowment fund.)

FAQs ABOUT THE LOPEZ FUND

WHAT IS THE LOPEZ FUND?

This is a yearly fundraising effort to assist with the annual operating budget at Father Lopez Catholic High School.

DOESN'T TUITION COVER THE COST OF EDUCATING EACH STUDENT?

No. Like most Catholic schools that strive to serve a diverse community, we have a significant gap between tuition revenue and the higher cost of educating each student.

HOW MUCH IS THIS GAP?

Our operational expenses during the 2015-16 school year totaled \$5,726,168. With an enrollment of 474 students last year, the average cost to educate each student was \$12,080. The Parish Member Tuition Rate (and enrollment fee) totaled \$10,250; the Standard Tuition Rate (and enrollment fee) was \$10,850. This resulted in a per pupil gap ranging from \$1,230 to \$1,830.

WHY NOT INCREASE TUITION TO COVER THIS GAP?

Seven out of every ten students attending Father Lopez receive some form of tuition discount or tuition assistance. Increasing tuition by such a large amount would drastically change the composition of our student body, placing the hope of a Father Lopez education out of reach for many families. Enrollment would decline, and all aspects of the school would be compromised. With many fixed costs being shared among a smaller enrollment, tuition would increase more than the gap amount in order to make ends meet.

HOW MUCH SHOULD I GIVE?

No gift is too large or too small. We are always seeking 100 percent participation among our various constituencies. A high-level of stakeholder participation improves our chances when applying for grants and additional funding from foundations and other organizations.

WILL MY GIFT BE TAX-DEDUCTIBLE?

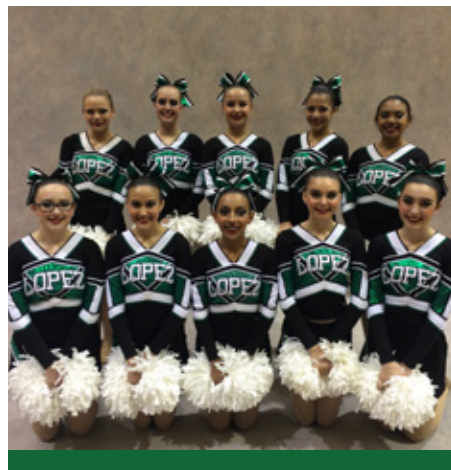

Yes. Father Lopez is a not-for-profit corporation in Florida. The school operates in conformance under Section 501(c)(3) of the Internal Revenue Code. As such, gifts to the school are tax-deductible provided that the donor receives no goods or services from the school in consideration of the donation. Remember, your gift is tax deductible; tuition is not.

WHEN SHOULD I GIVE?

Our fiscal year runs from July 1 through June 30. All gifts will be acknowledged in writing by the school president, and all donors will be listed in the Annual Report magazine for that fiscal year.

HOW CAN I MAKE A GIFT TO THE LOPEZ FUND?

You may use the enclosed envelope to send a check made payable to THE LOPEZ FUND directly to the school. For your convenience, you may also make a gift online by going to the Donate Now button for The Lopez Fund on our school website (www.fatherlopez.org).
